Honorable Mark V. Afable Commissioner of Insurance State of Wisconsin 125 South Webster Street Madison, Wisconsin 53703

# Commissioner:

In accordance with your instructions, a compliance examination has been made of the

affairs and financial condition of:

MIDDLESEX INSURANCE COMPANY Stevens Point, Wisconsin

and this report is respectfully submitted.

#### I. INTRODUCTION

The previous examination of Middlesex Insurance Company (Middlesex or the company) was conducted in 2014 as of December 31, 2013. The current examination covered the intervening period ending December 31, 2018, and included a review of such 2019 and 2020 transactions as deemed necessary to complete the examination.

The examination of the company was conducted concurrently with the examination of affiliated companies domiciled in Illinois, New York, and Texas, with Wisconsin acting in the capacity as the lead state for the coordinated examination. Representatives of Illinois, New York, and Texas participated in the examination, and their work was reviewed and relied on where deemed appropriate.

The examination was conducted using a risk-focused approach in accordance with the National Association of Insurance Commissioners (NAIC) *Financial Condition Examiners Handbook.* This approach sets forth guidance for planning and performing the examination of an insurance company to evaluate the financial condition, assess corporate governance, identify current and prospective risks (including those that might materially affect financial condition, either currently or prospectively), and evaluate system controls and procedures used to mitigate those risks.

All accounts and activities of the company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with statutory accounting principles, annual statement instructions, and Wisconsin laws and regulations. The examination does not attest to the fair presentation of the financial statements included herein. If during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately at the end of the "Financial Data" section in the area captioned "Reconciliation of Surplus per Examination."

Emphasis was placed on those areas of the company's operations accorded a high priority by the examiner-in-charge when planning the examination. Special attention was given to

the action taken by the company to satisfy the recommendations and comments made in the previous examination report.

The company is annually audited by an independent public accounting firm as prescribed by s. Ins 50.05, Wis. Adm. Code. An integral part of this compliance examination was the review of the independent accountant's work papers. Based on the results of the review of these work papers, alternative or additional examination steps deemed necessary for the completion of this examination were performed. The examination work papers contain documentation concerning the alternative or additional examination steps performed during the examination.

#### **Independent Actuary's Review**

An independent actuarial firm was engaged under a contract with the Office of the Commissioner of Insurance. The actuary reviewed the adequacy of the company's loss and loss adjustment expense reserves. The actuary's results were reported to the examiner-in-charge. As deemed appropriate, reference is made in this report to the actuary's conclusion.

#### II. HISTORY AND PLAN OF OPERATION

Middlesex was chartered in Massachusetts as the Middlesex Mutual Fire Insurance Company on March 3, 1826, and the company commenced business on March 31, 1826. The company has been the surviving entity in several mergers during its history. The company absorbed the South Danvers Mutual Fire Insurance Company in December 1928 and the Citizens Mutual Fire Insurance Company in June 1944.

In 1963, the name was changed to Middlesex Mutual Insurance Company (Middlesex Mutual). On October 20, 1967, Middlesex Mutual and Lynn Mutual Insurance Company (Lynn Mutual) voted to form the North Bridge Corporation, a downstream holding company. Middlesex Mutual held 80% ownership in the corporation, with the remaining 20% held by Lynn Mutual. In 1968, Middlesex Mutual and Lynn Mutual contributed their respective ownership interests in the newly established Patriot General Insurance Company (Patriot General), a stock property and casualty insurer, to this holding company.

Lynn Mutual was absorbed by Middlesex Mutual through a merger transaction effective December 31, 1970, thereby making Middlesex Mutual the sole owner of North Bridge Corporation and its subsidiary interests.

Middlesex Mutual entered into an agreement dated June 6, 1974, with

Sentry Insurance a Mutual Company (Sentry Insurance), whereby Middlesex Mutual would

demutualize and be acquired by The Sentry Corporation, then a wholly owned subsidiary of

Sentry Insurance. In June 1974, special legislation passed by the Massachusetts Legislature

permitted the conversion, articles of amendment were filed with the Secretary of the

Commonwealth of Massachusetts to execute the conversion and rename the company to its

current name, Middlesex Insurance Company, and the Massachusetts Insurance Division

approved the transactions. The Sentry Corporation acquired all 200,000 shares issued by the

company.

In 1986, ownership of Middlesex was transferred from The Sentry Corporation to Sentry Insurance, its current parent, as part of an effort to separate insurance operations from

noninsurance operations. On April 28, 1994, Middlesex, together with its subsidiary, Patriot General, redomesticated from Massachusetts to Wisconsin.

In 2018, the company wrote direct premium in the following states:

Washington	\$ 46,911,805	26.6%
Wisconsin	31,630,990	17.9
Alabama	24,667,356	14.0
All others	73,431,806	<u>41.5</u>
Total	\$176,641,957	<u>100.0</u> %

The company is licensed in the District of Columbia and all 50 states.

The following table is a summary of the net insurance premiums written by the company in 2018. The growth of the company is discussed in the "Financial Data" section of this report.

#### **IV. AFFILIATED COMPANIES**

Middlesex is a subsidiary of Sentry Insurance. Sentry Insurance is the ultimate parent of a holding company system (the Sentry Insurance Group). As of December 31, 2018, the Sentry Insurance Group consisted of 15 insurers and 14 noninsurance entities. Dairyland County Mutual Insurance Company of Texas and Sentry Lloyds of Texas are affiliated through common management and Florists' Mutual Insurance Company is affiliated through a mutual affiliation agreement. A brief description of the entities that are directly affiliated with Middlesex or have services or administration agreements with it follows the organizational chart. An examination report of Sentry Insurance a Mutual Company performed concurrently with this report includes a description of all affiliates in the holding company.

On July 7, 2019, Sentry Insurance incorporated a new company, Dairyland National Insurance Company (Dairyland National). It is not presented on the organizational chart below due to being formed and operating entirely outside of the examination period.

On November 14, 2019, the Sentry Insurance board passed a resolution to reorganize the Sentry Insurance Group into a mutual holding structure, pursuant to s. 644.07 (2), Wis. Stat. As part of the proposed reorganization, Sentry Insurance will form two new holding company entities: a mutual holding company, Sentry Mutual Holding Company (Sentry Mutual), and a wholly owned subsidiary of Sentry Mutual, Sentry Holdings, Inc. Sentry Insurance would then convert to a stock insurance company under the new name Sentry Insurance Company. The proposed reorganization was subject to the approval of the Office of the Commissioner of Insurance (OCI) and policyholders as required by ss. 644.07 (7) and 644 (8), Wis. Stat.

On November 20, 2019, Sentry Insurance submitted documents to OCI proposing the restructuring of the Sentry Insurance Group as a mutual insurance holding company structure.

OCI is reviewing the proposed transaction. The mutual holding structure conversion is not presented on the organizational chart below due to being submitted after the examination period and not yet being approved by OCI.

#### **Insurance Subsidiaries and Affiliates**

Patriot General was examined concurrently with Middlesex as of December 31, 2018, and the results of that examination are expressed in a separate report.

#### Noninsurance Subsidiaries and Affiliates

#### **Sentry Investment Management, L.L.C.**

Sentry Investment Management, L.L.C. (SIML), a Delaware corporation organized on June 13, 1969, manages the investment portfolios of Sentry Insurance and its affiliates, subject to the direction of their respective boards of directors. In 2007, the corporation changed its status to a limited liability corporation. As of December 31, 2018, SIML's unaudited financial statements reported assets of \$200,945, liabilities of \$59,345, and stockholder's equity of \$141,600.

Operations for 2018 produced no net income or loss. SIML is a wholly owned subsidiary of Sentry Insurance.

#### **Affiliated Agreements**

Middlesex has no employees of its own and all of its operations are conducted by employees of its parent organization, Sentry Insurance, in accordance with the business practices and internal controls of that organization. In addition to ongoing common management and control by this upstream affiliate, the company's operations are affected by various written agreements with Sentry Insurance Group affiliates. Reinsurance agreements are described in section V of the report titled "Reinsurance." A summary of the other agreements and undertakings follows.

#### **Investment Advisory Agreement**

Effective October 31, 1991, Sentry Insurance and certain named affiliates entered into an investment advisory agreement with Sentry Investment Management, L.L.C. This contract was amended and restated as of January 1, 2008, and as of September 12, 2011. Under this agreement, SIML is employed to manage and direct the investment and reinvestment of the assets of Sentry Insurance and certain named affiliates, subject to the control of those companies' board of directors. SIML agrees to comply with the companies' articles, bylaws, investment policies, and all applicable federal or state laws. SIML charges the companies a monthly fee computed as follows, annually not to exceed on average 25 basis points of the cash and invested assets reported on the companies' statutory annual statements:

One-twelfth (1/12) of an amount equal to the sum of (a), (b), and (c)

- (a) Common stocks, excluding those of affiliates: 0.50% (\$5.00 per \$1,000) of market value;
- (b) Bonds and preferred stocks, excluding those of affiliates: 0.15% (\$1.50 per \$1,000) of market value; and
- (c) All other assets, excluding those of affiliates: 0.75% (\$7.50 per \$1,000) of market value

In addition, for any investment advisory services provided by SIML at the request of the companies, SIML is to be reimbursed for the actual costs of rendering such services. Settlements are to be made within 60 days of the end of the month.

The contract may be terminated by any of the parties with 60 days' written notice

Joint Investment Agreement

Effective October 1, 1996, the company entered into an amended and restated joint investment agreement with various affiliates to establish the Sentry Liquid Asset Partnership (SLAP), a joint venture organized pursuant to the Wisconsin Uniform Partnership Act. This agreement has been amended and restated to add or delete companies as needed. Sentry Insurance is designated as the managing partner, though the agreement permits a change by a majority decision of the participants. A participant may withdraw from the joint venture upon the delivery of a written notice to the managing partner. The joint venture shall dissolve at such time as only one participant remains in the joint venture. The terms of this agreement are continuous; however, all parties to the agreement are required to review and negotiate the agreement no less than once every three years.

The business of the joint venture consists of investing and reinvesting funds contributed by the members in short-term obligations of banks, corporations, and the U.S. federal government with a maximum duration of 12 months. It functions in a manner analogous to a short-term bond mutual fund. Investment advisory services are provided by Sentry Investment Management, L.L.C. This office has directed all Wisconsin-domiciled Sentry companies to report their respective balances in SLAP as a one-line entry on Schedule DA – Part 1 (Short-Term Investments) and Schedule E – Part 2 (Cash Equivalents). In 2018, Middlesex reported no SLAP

short-term investments and \$9,312,405 in SLAP money market mutual funds. Middlesex received \$57,874 interest from the SLAP money market mutual funds.

#### **Tax Allocation Agreement**

On February 22, 1983, the Sentry Insurance board of directors adopted a written federal income tax allocation policy for the purpose of filing federal income tax returns on a consolidated basis. This agreement has been amended and restated to add or delete companies as needed. The latest amended and restated agreement is effective March 1, 2009, and was amended to comply with requirements of the New York Circular Letter 1979-33 (relates to tax allocation agreements of New York domestic insurers) because Sentry Life Insurance Company of New York is a party to this agreement. Under this agreement, Sentry Insurance prepares and files a consolidated U.S. federal income tax return that includes all affiliates of the holding company group. The agreement sets forth the rights and obligations of the parties to the agreement with respect to the determination and settlement of federal income tax liabilities as well as the allocation of Sentry Insurance Group's consolidated U.S. federal income tax liability and tax benefits in accordance with a rational, systematic formula. The agreement provides for computation of tax, settlement of balances between affiliates, tax sharing, filing the return, audits and other adjustments, and other administrative requirements. The agreement calls for the settling of estimated U.S. federal tax payments within 45 days of filing of those payments. Final settlement is due within 45 days of the filing of the consolidated U.S. federal tax return. The agreement has a provision for members entering or departing the group and provides for successors.

#### **General Expense Allocation Agreement**

In 1993, the insurance companies of the Sentry Insurance Group entered into a written general expense allocation agreement. The agreement formalized the parties' consent to an accounting allocation process that had been in place since 1982. This agreement has been amended and restated to add or delete companies as needed. Under the agreed procedure, expenses are first grouped and assigned to cost pools, each of which is distinguished by one or more of four characteristics, including activity, location, profit center, and division. Expenses,

once assigned to cost pools, are then allocated to specific insurance products. An expense is not assigned to a specific legal entity until after it is coded to a cost pool and then to a specific product, unless the destination (profit center, line of business, or legal entity) is known when the expense is originally recorded. Allocation at each phase of this process, outlined here in simplified form, is based on specific identification, utilization estimates developed from such criteria as premium or claim volume, time studies, or other rational means of distribution.

#### Intercompany Settlement Policy

The intercompany settlement policy between Sentry Insurance and its affiliates was last amended and restated effective July 1, 2014. This agreement has been amended and restated several times to add or delete companies as necessary. According to the terms of this agreement, Sentry Insurance's cash management department settles intercompany balances, in SLAP where possible, based on policies and procedures listed in the agreement for monthly and annual settlements. Other settlements under the agreement include reinsurance balances, which are to be settled according to the terms contained in the reinsurance agreements, and income tax related balances, which are to be settled in accordance with the terms outlined in the intercompany tax allocation agreement mentioned previously. There is also a clause that establishes procedures for those parties that do not have adequate funds available to settle intercompany debt.

#### **Intercompany Servicing Agreement**

Sentry Insurance has established an intercompany servicing agreement with Middlesex effective March 1, 1980, which has been amended and restated several times with the latest amendment effective December 31, 2004. Under this agreement Sentry Insurance is to provide essentially all services required for Middlesex's business operations. Expenses relating to the services provided under this agreement are to be allocated to the company by Sentry Insurance through the general expense allocation agreement (described earlier in this section of the report). Services may be terminated by either party by 30 days' written notice or at any time by mutual consent.

#### V. REINSURANCE

The company's reinsurance portfolio and strategy are described below. The company had numerous active and inactive ceded and assumed reinsurance treaties and arrangements in force at the time of this examination. All contracts reviewed by examiners contained proper insolvency provisions. Certain property and casualty companies in the Sentry Insurance Group participate in a few voluntary and involuntary reinsurance arrangements, serving predominantly the auto and workers' compensation markets, administered by individual states or by national organizations. The largest assuming reinsurance agreements are from the National Workers Compensation Reinsurance Association and Commonwealth Automobile Reinsurers (Massachusetts). The ceding reinsurance agreements are to a variety of state mine subsidence, catastrophic auto, and worker's compensation funds. A review of these arrangements indicated that all contracts have provisions deemed appropriate by the governmental authorities that establish and administer them. Significant treaties and arrangements are summarized as follows:

#### **Affiliated Property and Casualty Pooling Agreement**

Middlesex participates in a pooling arrangement with certain of its property and casualty affiliates. The pool participants cede 100% of their direct and assumed premiums, losses, loss adjustment expenses, and underwriting expenses, net of all cessions to nonaffiliated parties, to Sentry Insurance. The net pooled business is then distributed according to the participations listed below. Income and expenses related to investment operations are not included in pooling.

Dairyland Insurance Company (Dairyland), Middlesex, Sentry Select Insurance Company (Sentry Select), Viking Insurance Company of Wisconsin (Viking), Sentry Casualty Company (Sentry Casualty), and Florists' Mutual Insurance Company (Florists' Mutual) are direct co-parties to the automatic nonaffiliated ceding reinsurance agreements of Sentry Insurance, along with Sentry Insurance's other U.S.-domiciled property and casualty affiliates. Sentry Insurance administers all aspects of the pooled business, including placement of reinsurance with nonaffiliated insurers. Reinsurance with nonaffiliated parties is transacted in the names of Sentry Insurance and other property and casualty affiliates, each for its own direct and assumed

business, prior to pooling. After nonaffiliated cessions are made, the net business of each participant is pooled, and the net retained business of Sentry Insurance, Dairyland, Middlesex, Sentry Select, Viking, Sentry Casualty, and Florists' Mutual is derived from the pool. Additional terms of the pool are outlined below:

#### **Nonaffiliated Assuming Contracts**

Sentry Insurance ceased all assumption activities with nonaffiliated companies prior to 1986. There are, however, reinsurance assumed treaties in runoff. Many of these contracts were originally entered into by affiliates and were assumed by the company during its efforts to consolidate its holding company system. The reinsurance assumed treaties in runoff have a broad range of underlying risks, including risks located overseas. Types of contracts include catastrophe, excess of loss, pro rata, and facultative. Assumed reinsurance long-tail exposures tend to be environmental and asbestos, and medium-tail risks such as general liability, auto liability, and worker's compensation. One difficulty encountered with respect to international exposures is that the laws of some of the countries in which risks are located do not allow for complete release of the responsible parties, so claims can remain open for periods much longer

than typical in the United States or can be reopened many years after the settlement is believed to have been final.

The company's surplus remained consistent at \$243 million since the previous examination. Middlesex reported net income in each year under examination and paid \$64 million in stockholders' dividends to its parent, Sentry Insurance, over the past five years. During the period under examination gross premium increased 30% and net premium increased 26%. The increase in gross premiums was attributed largely to an increase in direct writings. The combined ratio remained slightly above 100%, increasing in 2016 and 2017 before beginning to decrease in 2018. Net investment gains over the period offset the effects of combined ratios that exceeded 100%, as the company recorded net income in each of the last five years.

# Reconciliation of Surplus per Examination

No adjustments were made to surplus as a result of the examination. The amount of surplus reported by the company as of December 31, 2018, is accepted.

#### **XI. SUBSEQUENT EVENTS**

On March 11, 2020, the World Health Organization (WHO) declared the spreading coronavirus (COVID-19) outbreak a pandemic. On March 13, 2020, U.S. President Donald J. Trump declared the coronavirus pandemic a national emergency in the United States. The epidemiological threat posed by COVID-19 is having disruptive effects on the economy, including disruption of the global supply of goods, reduction in the demand for labor, and reduction in the demand for U.S. products and services, resulting in a sharp increase in unemployment. The economic disruptions caused by COVID-19 and the increased uncertainty about the magnitude of the economic slowdown has also caused extreme volatility in the financial markets.

The full effect of COVID-19 on the U.S. and global insurance and reinsurance industry is still unknown at the time of releasing this report. This office is expecting the COVID-19 outbreak to impact a wide range of insurance products, resulting in coverage disputes, reduced liquidity of insurers, and other areas of operations of insurers. OCI and all insurance regulators with the assistance of the National Association of Insurance Commissioners are monitoring the situation through a coordinated effort and will continue to assess the impacts of the pandemic on U.S. insurers. OCI has been in communication with the Sentry Insurance Group regarding the impact of COVID-19 on business operations and the financial position of Middlesex, and no immediate action was deemed necessary at the time of this report.
