Reason for the request:	Due to the COVID-19 Pandemic, OCI has been using Zoom for the annual forum and would like to continue to do so. Holding the forum using a virtual format allows those who would not be able to attend in person to view the presentation and has proven to be a convenient means for individuals to attend the forum. This forum will also include the hearing for the 1332 waiver extension application. Individuals interested in that topic will also have a convenient means to participate. Additionally, due to the public health emergency, OCI has not yet opened the office to convene large groups of individuals in person.
