Stat. § 601.83(2) and reflecting the increased expenditure authority set forth in Wis. Stat. § 601.83(1)(hm). The proposals were developed from data received by insurers and best estimates for 2026 enrollment to ensure that WIHSP payments do not exceed the funding limit of \$230 million.</p> <p>The Commissioner is proposing for consideration and comment two parameter options under two different scenarios, reflecting whether the Affordable Care Act enhanced subsidies expire or are extended.
