

NOTICE OF PUBLIC HEARING
OFFICE OF THE COMMISSIONER OF INSURANCE

The Office of the Commissioner of Insurance (OCI) will hold a public hearing via a conference call on Wisconsin Healthcare Stability Plan (WIHSP) proposed 2027 payment parameters. Consistent with Wis. Stat. § 601.83(2), the Commissioner adjusts the payment parameters with the goal to stabilize or reduce premium rates, increase participation by health insurers, improve access to health care providers and services, and mitigate the impact of high-risk individuals participating in the individual health insurance market. The Commissioner is seeking public input through the public hearing and comment period regarding the proposed 2027 payment parameters.

Preliminary Payment Parameters:

The Commissioner engaged an actuarial consulting firm to assist OCI in developing its preliminary payment parameters for plan year 2027, consistent with Wis. Stat. § 601.83(2) and reflecting the increased expenditure authority set forth in Wis. Stat. § 601.83(1)(hm). The proposals were developed from data received by insurers and best estimates for 2027 enrollment to ensure that WIHSP payments do not exceed the funding limit of \$265 million.

The Commissioner is proposing for consideration and comment two parameter options. Following the comment period, one set of parameters will be finalized.
