To whom it may concern,

This possible acquisition from Delta Dental to acquire a chain dental company is truly alarming.

Not only is this a conflict of patient's health, it is immoral and unethical. This unprecedented move could shift the power of insurance companies to a degree that in the future will take mountains of effort, time, and legal resources to undo.

I can't emphasize enough how concerning this is to the dental profession, patients, and healthcare in general.

Please greatly consider this please.

Thanks,

Scott Yunes DMD
