- Note 1: A company may only apply for the lines of insurance for which it is authorized in its state of domicile.
- Note 2: The company must have transacted business for a minimum of one (1) year prior to seeking admission. If the company was recently acquired, at least one (1) year of operating experience under the new management is required. An affiliated insurer admitted in Pennsylvania and operating under the same ownership/management team for at least one year may satisfy this requirement. If the aforementioned situation applies, a written request for approval of a waiver must be submitted with the application.
- Note 3: The Department of Labor and Industry requires all insurers that are applying to write workers' compensation to complete and file an Initial Report of Accident and Illness Prevention Services. The Insurance Department will not issue a Certificate of Authority to a foreign insurer to write workers' compensation insurance until the Department of Labor and Industry has indicated the company has made the necessary filing as required by the Workers' Compensation Act. The necessary form with instructions can be obtained at:
