Commissioner of Insurance  
State of Wisconsin  
125 South Webster Street  
Madison, Wisconsin 53703

Commissioner:

In accordance with your instructions, a compliance examination has been made of the affairs and financial condition of:

HOMESITE INDEMNITY COMPANY  
Madison, Wisconsin

and this report is respectfully submitted.

## I. INTRODUCTION

The previous examination of Homesite Indemnity Company (HIC or the company) was conducted in 2012 as of December 31, 2011, by the Kansas Department of Insurance. The current examination covered the intervening period ending December 31, 2016, and included a review of such 2017 and 2018 transactions as deemed necessary to complete the examination.

The examination of the company was conducted concurrently with the examination of affiliated companies domiciled in California, Georgia, Illinois, New York, and Texas, with Wisconsin acting in the capacity as the lead state for the coordinated examination. Representatives of the California Department of Insurance assisted with certain key functional activities, and their work was reviewed and relied on where deemed appropriate.

The examination was conducted using a risk-focused approach in accordance with the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook. This approach sets forth guidance for planning and performing the examination of an insurance company to evaluate the financial condition, assess corporate governance, identify

current and prospective risks (including those that might materially affect financial condition, either currently or prospectively), and evaluate system controls and procedures used to mitigate those risks.

All accounts and activities of the company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with statutory accounting principles, annual statement instructions, and Wisconsin laws and regulations. The examination does not attest to the fair presentation of the financial statements included herein. If during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately at the end of the "Financial Data" section in the area captioned "Reconciliation of Surplus per Examination."

Emphasis was placed on those areas of the company's operations accorded a high priority by the examiner-in-charge when planning the examination.

The company is annually audited by an independent public accounting firm as prescribed by s. Ins 50.05, Wis. Adm. Code. An integral part of this compliance examination was the review of the independent accountant's work papers. Based on the results of the review of these work papers, alternative or additional examination steps deemed necessary for the completion of this examination were performed. The examination work papers contain documentation with respect to the alternative or additional examination steps performed during the course of the examination.

#### **Independent Actuary's Review**

An independent actuarial firm was engaged under a contract with the Office of the Commissioner of Insurance. The actuary reviewed the adequacy of the company's gross loss and loss adjustment expense reserves. The company has no net loss reserves because it cedes 100% of its direct writings to Homesite Insurance Company of the Midwest (HICMW), which in turn, retrocedes 100% of its direct and assumed premium to its ultimate parent, American Family Mutual Insurance Company (AFMIC), through separate Quota Share Reinsurance Agreements. The actuary also reviewed the net loss and loss adjustment expense reserves of AFMIC, which

includes the assumed loss and loss adjustment expense reserves from HICMW and HIC. The actuary's results were reported to the examiner-in-charge. As deemed appropriate, reference is made in this report to the actuary's conclusion.

## II. HISTORY AND PLAN OF OPERATION

The company was organized on July 23, 1948, under the name Cimarron Casualty Company. On September 20, 1959, the company changed its name to Plains Insurance Company. On August 20, 1990, American Fidelity Corporation acquired the company's parent, Cimarron Investment Company, Inc., and contributed the acquired companies to its wholly owned subsidiary, American Fidelity Assurance Company, who then contributed them to its subsidiary, American Fidelity Insurance Company.

On October 31, 1994, the company was purchased by Insurance Acquisition Corporation, a wholly owned subsidiary of Crop Grower's Corporation (CGC). CGC and all of its subsidiaries were acquired on August 13, 1997, by Fireman's Fund Insurance Company, who on January 4, 1999, sold the common stock of the company to Homesite Group Incorporated (HGI). The company subsequently adopted its current name.

On December 29, 2006, HGI entered into a stock purchase agreement with Alleghany Insurance Holdings LLC (Alleghany), under which Alleghany acquired 85,714 shares of common stock of HGI for a purchase price of \$120 million. Following the closing of the transaction on December 29, 2006, the shareholders owning 10% or more of HGI were as follows:

- Alleghany Insurance Holdings LLC held 85,714 shares of common stock, representing 32.9% of the total of all shares outstanding.
- Morgan Stanley Capital Partners III, L.P., held 67,752.87 shares of common stock, representing 17.6% of the total of all shares outstanding.
- HDC investors, L.P., held 45,869.4 shares of common stock, representing 17.6% of the total of all shares outstanding.

On December 31, 2013, AFMIC, through its wholly owned subsidiary, AmFam, Inc., acquired 100% of the ownership in HGI interest for \$666 million in cash, including direct costs of the acquisition. After the transaction, the company's ultimate parent was AFMIC. The company redomiciled from Kansas to Wisconsin in September 2016.

AFMIC and its subsidiaries are collectively known as the "American Family Group." HIC shares common management with HICMW, Homesite Insurance Company (HCT), Homesite Insurance Company of California (HICCA), Homesite Insurance Company of Florida (HICFL),

Homesite Insurance Company of Illinois (HICIL), Homesite Insurance Company of Georgia (HICGA), Homesite Insurance Company of New York (HICONY), and Homesite Lloyd's of Texas (HLT). Collectively, these nine insurance companies are referred to as the "Homesite Group."

#### Formation of Mutual Holding Company

On May 23, 2016, the board of directors of the company's ultimate parent, AFMIC, passed a resolution to reorganize AFMIC into a mutual holding structure, pursuant to s. 644.07 (2), Wis. Stat. As part of the proposed reorganization, AFMIC would form two new holding company entities: a mutual holding company, American Family Insurance Mutual Holding Company (AFIMHC), and a wholly owned subsidiary of AFIMHC, AmFam Holdings, Inc. (AmFam Holdings). AFMIC would then convert to a stock insurance company under the new name American Family Mutual Insurance Company, S.I. (AFMICSI). The proposed reorganization was subject to the approval of the Office of the Commissioner of Insurance (OCI) and policyholders as required by ss. 644.07 (7) and 644 (8), Wis. Stat.

On June 8, 2016, AFMIC submitted documents to OCI proposing the restructuring. OCI reviewed the proposed transaction and crafted a Stipulation and Order governing the proposed mutual holding company. The Stipulation and Order was accepted by AFMIC as part of OCI's approval of the transaction, which was granted on December 6, 2016. Policyholders voted to approve the transaction on December 7, 2016.

Effective January 1, 2017, AFMIC's corporate structure was reorganized. As part of the reorganization, AFMIC converted to a stock insurer, changed its name to AFMICSI and issued three million shares of \$1 par common stock to AmFam Holdings. AmFam Holdings issued 100% of its voting securities to AFIMHC, which became the ultimate controlling party of the American Family Group. Membership interest in AFMIC was replaced with membership interest in AFIMHC. Policyholders of American Family Insurance Company (AFIC) and American Standard Insurance Company of Ohio (ASICO) were also granted membership rights in AFIMHC. There are currently no plans for AFMICSI to sell stock publicly. However, if this were to happen at a future date, AmFam Holdings would be required to hold at least 51% of the stock of AFMICSI under s. 644.04 (3) (b), Wis. Stat.

The company's reinsurance portfolio and strategy is described below. A list of the companies that have a significant amount of reinsurance in force at the time of the examination follows. The contracts contained proper insolvency provisions..

### Pooling Agreement

Prior to the American Family acquisition of the Homesite Group, companies in the Homesite Group participated in an intercompany pooling agreement, effective May 5, 2005, in which HICMW assumed 100% of the Homesite Group's direct and assumed written premiums and losses and then retroceded, net of third party reinsurance, pooled net written premiums, losses, and unearned premiums to members of the pool. Flood insurance premiums ceded to the NFIP were not included in the pool. The table below includes the pool participants and percentages in effect at December 31, 2013.

Homesite Insurance Company of the Midwest	32%
Homesite Insurance Company	26
Homesite Indemnity Company	12
Homesite Insurance Company of California	11
Homesite Insurance Company of New York	5
Homesite Insurance Company of Georgia	4
Homesite Insurance Company of Florida	4
Homesite Lloyd's of Texas	3
Homesite Insurance Company of Illinois	<u>3</u>
Total	<u>100%</u>

The pool was terminated effective January 1, 2014.

### Affiliated Ceded Business

Effective January 1, 2014, HIC entered into a loss portfolio transfer and 100% quota share agreement with HICMW. Under the agreement, HICMW assumes 100% of HIC's in-force, new and renewal direct and assumed business. For the loss portfolio transfer portion of the ceded business, the company paid premium of \$9.1 million to HICMW, which was the undiscounted loss and loss adjustment expense reserve carried on the company's book as of the effective date of the agreement.

Effective January 1, 2014, HICMW entered into a similar loss portfolio and 100% quota share agreement with AFMIC. As a result, AFMIC holds all the assumed loss and loss adjustment expense reserves for HICMW and HIC.

### **Catastrophe Reinsurance**

AFMIC purchases property catastrophe and aggregate stop loss reinsurance coverage for itself and on behalf of all its P&C subsidiaries, including Midvale, Homesite Group, and Permanent General Group. Contracts are placed on a rolling two- or three- year period, which results in only a portion of the contract placement expiring each year. Depending on the contract, the company utilizes Aon Benfield or Guy Carpenter as its reinsurance intermediary. Contracts are placed through a group of high-quality domestic and foreign reinsurers.

As of January 2017, the group's catastrophe excess of loss reinsurance has three layers, with placements between 85.775% and 95% and with coverage of \$1.5 billion in excess of \$300 million retention (see contract 1). One caveat is the first layer does not provide coverage for Named Storms (i.e., hurricanes). Named Storms are covered by a separate treaty which provides 95% coverage of \$350 million in excess of \$300 million retention (see contract 2).

The group's 2017 aggregate stop loss reinsurance consists of a single year contract (see contract 3) and a multiyear contract covering 2017-2018 (see contract 4). The 2017 program provides 95% coverage of \$350 million in excess of aggregate losses of \$1.2 billion. Named Storms occurring in coastal states are not covered by the aggregate stop loss contracts.

Ratio No. 3 measures the company's change in net premiums written from the previous year. The company reported an exceptional ratio in 2014, as net premium written decreased from \$54.2 million in 2013 to \$(31.0) million in 2014. The company terminated its affiliated pooling agreement as of January 1, 2014, and then entered into a loss portfolio transfer and 100% quota share agreement with HICMW, which resulted in negative premium written in 2014.

Ratio No. 5 measures the company's profitability over the previous two-year period. The company reported an exceptional ratio in 2012 and 2014. The exceptional ratio in 2012 was driven largely by significant CAT losses in 2011, particularly in the Midwest and Southeast. The company also experienced significant losses in 2012 as a result of Superstorm Sandy.

The exceptional ratio in 2014 is not meaningful because net premium written is used in the calculation of the two-year operating ratio, and the company had negative net premium in 2014, which distorted the company's two-year expense ratio. The single year operating ratio for 2013 and 2014 was 77.0% and 0%, respectively.

Ratio No. 6 measures the amount of the company's net investment income as a percentage of the average amount of cash and invested assets. The company reported an exceptional ratio each year under examination. The exceptional ratios are primarily due to the low interest rate environment. Also, beginning in 2015, the vast majority of the company's investment portfolio was comprised of U.S. Treasuries, short term investments, and cash, which further depressed the ratio.

Ratio No. 8 measures the improvement or deterioration of an insurer's financial condition during the year based on operational results. The company reported an exceptional ratio in 2013, as its surplus increased 34% from the prior year. The large increase was mostly due to positive underwriting results during the year, as the company reported a combined ratio of 81.8%. The company's strong underwriting performance was consistent with industry averages. In 2013, the company's pure net loss ratio was 50.6%, which was the same as the industry average for homeowners multiple peril business.

The company reported modest growth in during the period under examination, as direct premium written increased 24%, although there was a small decrease in 2016. On a net basis, the company reported a 15% decrease in net premium in 2012, mostly because its share in the intercompany pooling agreement decreased from 13% to 12%, effective January 1, 2012. In 2014, the company cancelled its pooling agreement and entered into a loss portfolio transfer and 100% quota share agreement with HICMW, which in turn, entered into a loss portfolio transfer and 100% quota share agreement with AFMIC. These transactions resulted in a negative net premium written in 2014.

During the period under examination, assets decreased 42% to \$52.1 million, liabilities decreased 82% to \$11.4 million, and surplus increased 56% to \$40.2 million. There was a sizeable decrease in assets and liabilities in 2014 as a result of terminating the affiliated pooling agreement and entering into a loss portfolio transfer and 100% quota share agreement with HICMW. Surplus has remained relatively flat since 2014 because the company does not retain any underwriting risk.

## **VII. SUMMARY OF EXAMINATION RESULTS**

### **Compliance with Prior Examination Report Recommendations**

There were no recommendations in the previous examination report.

## **Summary of Current Examination Results**

This section contains comments and elaboration on those areas where adverse findings were noted or where unusual situations existed. Comment on the remaining areas of the company's operations is contained in the examination work papers.

### **Investments**

Custodial agreements of Wisconsin-domiciled companies must comply with guidelines contained in the NAIC's Financial Condition Examiners Handbook. The review of the custodial agreement with The Northern Trust Company (Northern Trust) revealed that the agreement omitted one of the suggested clauses as contained in the NAIC's Financial Condition Examiners Handbook to ensure proper controls and safeguards. The following clause was missing from the Northern Trust agreement:

1. If the custodian agreement has been terminated or if 100% of the account assets in any one custody account have been withdrawn, the custodian shall provide written notification, within three business days of termination or withdrawal, to the insurer's domiciliary commissioner.

It is recommended that the company revise its custodial agreement to include the guideline provisions contained in the NAIC's Financial Condition Examiners Handbook.

### **Executive Compensation**

The state of Wisconsin requires each Wisconsin-domiciled insurer to file a supplement to the annual statement entitled "Report of Executive Compensation" pursuant to ss. 601.42 and 611.63 (4), Wis. Stat. This report includes the total annual compensation paid to each director, each officer as defined by s. 611.12 (3), Wis. Stat., and the four most highly compensated members of executive management. Such compensation should include 401(k) and deferred compensation contributions, employer-paid insurance premiums, payments made on executive incentive plans, etc.

The company failed to include employer contributions for group health insurance as well as employer contributions to a 401(k) plan in the total compensation amount reported for certain executives. None of these omissions resulted in material understatement of reported

compensation amounts. It is recommended that the company properly complete the "Report of Executive Compensation" as required by ss. 601.42 and 611.63 (4), Wis. Stat.

### **Affiliated Agreements**

The exam team reviewed the intercompany service agreement entered into between the company and HGI. The review revealed that the agreement does not include an indemnification clause as required by Wisconsin Administration Code. Section Ins 40.04 (2) (d) (10), Wis. Adm. Code requires all related party agreements to include for indemnification of the insurer in the event of gross negligence or willful misconduct on the part of the affiliate providing the services. It is recommended that the company amend its service agreement with HGI to be in compliance with s. Ins 40.04 (2) (d) (10), Wis. Adm. Code. Additionally, the agreement did not include a specific settlement date for payment of services as required by s. Ins 40.04 (2) (d) (3), Wis. Adm. Code and SSAP No. 25, Par. 7. It is recommended that the company amend its service agreement with HGI to be in compliance with s. Ins 40.04 (2) (d) (3), Wis. Adm. Code.
