Subject: WFL-NMB proposed merger

Hello!

Attached, please find a letter regarding the proposed WFL-NMB proposed merger. I am a life-long policy holder of WFL, a current lodge officer, an elected delegate to our most recent convention, and a retired national board member. I am very distressed at the manner all business associated with this merger is being conducted and the way members have been and continue to be treated. I have already submitted statements; this letter addresses recent events. If you have any questions, please do not hesitate to contact me: 405-721-4396 or 405-830-8374.
