Office of the Commissioner of Insurance  
125 South Webster Street  
Madison, WI 53702*

*Dear Commissioner Gomez:*

*As president of the Marathon County Medical Society and member of the board of directors for the State Medical Society, I am writing to strongly urge you to block the sale of PIC-Wisconsin to AP Capitol. Currently, PIC-Wisconsin is a physician directed organization and has been very responsive to physician and patient's needs. As you well know, Wisconsin is one of five or six states in the nation that does not currently have a malpractice crisis and having PIC-Wisconsin be controlled by Wisconsin physician's is certainly one of the reasons for our stable environment. We urge PIC-Wisconsin to explore other solutions.*

*Thank you for your careful consideration of this matter.*

*Sincerely yours,*

*Mary Jo Freeman, MD, FACP*
