**DATE:** December 30, 2013

**TO:** Iowa Health System d/b/a UnityPoint and Physicians Plus Insurance Corporation

**FROM:**  Theodore K. Nickel, Commissioner

**SUBJECT:** Acquisition of Physicians Plus Insurance Corporation, Case No. 13-C35798

Attached is the final order approving Iowa Health System's acquisition of control of Physicians Plus Insurance Corporation ("Physicians Plus"). The December 20, 2013, proposed order was revised on December 30, 2013, to clarify that no interested parties objected during the hearing but Unity Health Plans Insurance Corporation ("Unity") provided written opposition prior to the hearing.

The hearing examiner was authorized to dispose of Unity's prehearing motion to intervene and since it was determined that Unity was not a party to the proceedings, it had no right to file objections to the proposed order approving Iowa Health System's application. Conditions were included in the order that adequately address the concerns raised by Unity and the Office of the Commissioner of Insurance retains its authority to address any future concerns that may arise.
