Steve,

Further to Lisa's e-mail, a version reflecting both Quartz's and my comments is currently with Advocate Aurora for review. Ruhee Divgi, the responsible attorney, is out of the office today but I hope to have a final version on Monday (and in any case early next week).

We note that certain portions of the memo address facts, legal agreements, etc. that are redacted in the forms of agreements posted to OCI's website. We would like to similarly redact the memo to the extent it is posted to OCI's website in this form to ensure continued protection of those facts. If a shorter version of this memo will be posted, we would be happy to propose redactions only to that shorter version—basically, we'll do whatever is easiest for you and OCI.

Just one other thing to note – Quartz would like each of its current equityholders to also execute the waiver; Lisa will provide a revised draft of their waiver. Advocate Aurora will be executing its waiver on its own behalf – as soon as we are clear which executives will be signing, I'll share a draft as well.

Thanks, and have a great weekend.

Morgan

Just checking to see if everything looked fine on the hearing documents as is or if there were any questions on anything.

Thank you.
