Honorable Mark V. Afable
Commissioner of Insurance
State of Wisconsin
125 South Webster Street
Madison, Wisconsin 53703

Commissioner:

In accordance with your instructions, a compliance examination has been made of the affairs and financial condition of:

REGENT INSURANCE COMPANY
Sun Prairie, Wisconsin

and this report is respectfully submitted.

I. INTRODUCTION

The previous examination of Regent Insurance Company (Regent or the company) was conducted in 2013 as of December 31, 2012. The current examination covered the intervening period ending December 31, 2017, and included a review of such 2018 and 2019 transactions as deemed necessary to complete the examination.

The examination of the company was conducted concurrently with the examination of the QBE North America Group. The Pennsylvania Department of Insurance acted in the capacity as the lead state for the coordinated examinations. Work performed by the Pennsylvania Department of Insurance was reviewed and relied on where deemed appropriate.

The examination was conducted using a risk-focused approach in accordance with the National Association of Insurance Commissioners (NAIC) Financial Condition Examiners Handbook. This approach sets forth guidance for planning and performing the examination of an insurance company to evaluate the financial condition, assess corporate governance, identify current and prospective risks (including those that might materially affect the financial condition,

either currently or prospectively), and evaluate system controls and procedures used to mitigate those risks.

All accounts and activities of the company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with statutory accounting principles, annual statement instructions, and Wisconsin laws and regulations. The examination does not attest to the fair presentation of the financial statements included herein. If during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately at the end of the "Financial Data" section in the area captioned "Reconciliation of Surplus per Examination."

Emphasis was placed on those areas of the company's operations accorded a high priority by the examiner-in-charge when planning the examination. Special attention was given to the action taken by the company to satisfy the recommendations and comments made in the previous examination report.

The company is annually audited by an independent public accounting firm as prescribed by s. Ins 50.05, Wis. Adm. Code. An integral part of this compliance examination was the review of the independent accountant's work papers. Based on the results of the review of these work papers, alternative or additional examination steps deemed necessary for the completion of this examination were performed. The examination work papers contain documentation with respect to the alternative or additional examination steps performed during the course of the examination.

Independent Actuary's Review

An independent actuarial firm was engaged under a contract with the Pennsylvania Department of Insurance. The company is a part of a large intercompany pooling arrangement. The actuary reviewed the adequacy of the company's loss and loss adjustment expense reserves at the pool level. The actuary's results were reported to the lead state examiner-in-charge and communicated to the participating states' examiners-in-charge. As deemed appropriate, reference is made in this report to the actuary's conclusion.

II. HISTORY AND PLAN OF OPERATION

Regent Insurance Company was incorporated under its present name pursuant to the laws of the State of Wisconsin on January 22, 1963, and commenced business on May 1, 1963. Since its inception, Regent has been a wholly owned subsidiary of General Casualty Company of Wisconsin (GC-WI).

At the time of Regent's incorporation, the company's ultimate parent was Reliance Group Holdings, Inc. On April 30, 1990, Reliance Insurance Company sold all of the issued and outstanding shares of GC-WI to Winterthur U.S. Holdings, Inc., a subsidiary of Winterthur Swiss Insurance Company. In September 1990, Winterthur U.S. Holdings, Inc., contributed 15% of the shares of GC-WI to Republic Insurance Company, a Texas-domiciled affiliate.

On December 31, 1996, Winterthur Reinsurance Corporation of America (Winterthur Re), another member of the Winterthur Swiss Group, acquired 10% of the shares of GC-WI from Republic Insurance Company. Credit Suisse Group merged with the Winterthur Swiss Group on December 15, 1997. As a result of the merger, GC-WI became an indirect wholly owned subsidiary of the Credit Suisse Group. Effective December 23, 1998, Winterthur Re was sold outside the Winterthur Group, and its shares (10%) of GC-WI were transferred back to Winterthur U.S. Holdings, Inc. On August 31, 1999, Republic Insurance Company's 5% ownership interest was repurchased by GC-WI. As a result, Winterthur U.S. Holdings, Inc., became the sole parent of GC-WI.

Effective December 22, 2006, Credit Suisse Group finalized the sale of Winterthur Swiss Insurance Company to AXA. AXA is a French corporation managed under the oversight of a Management Board and a Supervisory Board. AXA's headquarters are located in Paris, France.

Effective May 31, 2007, AXA finalized the sale of Winterthur U.S. Holdings, Inc., and its consolidated subsidiaries, to QBE Holdings, Inc., a subsidiary of Australian-based QBE Insurance Group Limited (QBE Limited). Winterthur U.S. Holdings, Inc., was renamed QBE Regional Companies (N.A.), Inc. (QBE Regional).

Currently, Regent records paid-up capital of \$4,000,000 consisting of 200,000 shares of common stock at a \$20.00 par value each. All authorized shares are outstanding.

GC-WI effectively heads its own holding company subsystem under QBE Regional, consisting of six subsidiary insurers. Further information concerning the QBE Limited holding company group is included in the report under the section titled "Affiliated Companies."

All members of QBE Regional, as well as all other insurance companies whose parent is QBE Holdings, Inc., are participants in an intercompany pooling arrangement. This arrangement is further described in this report under the section titled "Reinsurance."

QBE Americas, Inc., is the primary employer for its holding company subsystem, with approximately 2,300 employees nationwide at the time of this examination. Subsidiaries of GC-WI have no employees of their own and rely principally on QBE Americas, Inc., and Unigard Insurance Company (UnigardIns) for the staff essential to run day-to-day operations. QBE Management Services Pty Limited manages the companies' investments, subject to the Global Investment Services Master Agreement, and supervision of each of the companies' respective boards of directors. All operations of the holding company subsystem are conducted with staff provided by QBE Americas, Inc., UnigardIns, and QBE Management Services Pty Limited, in accordance with business practices and internal controls established by QBE Limited. Written agreements with affiliates are further described in this report under the section titled "Affiliated Companies."

In 2017, the company wrote direct premium in the following states:

Wisconsin	\$32,921,878	24.0%
Illinois	13,300,124	9.8
Connecticut	11,468,313	8.3

The Global Investment Services Master Agreement replaces the individual management agreements for QBENA.

Multinational Cooperation Agreement

Effective January 1, 2017, QBENA (excluding NAU), the non-US affiliated entities of QBE Insurance (Australia) Limited, as well as the New Zealand Branch, QBE Underwriting Limited, QBE Insurance (Europe) Limited (including the Danish, French, German, Italian, Spanish, and Swedish branches), QBE Services, Inc., QBE Hong Kong & Shanghai Insurance Limited, QBE Insurance (Singapore) Pte Ltd, QBE de Mexico Compania de Seguros, S.A. de C.V., QBE Seguros S.A., QBE Seguros La Buenos Aires S.A., and affiliated reinsurer Equator Reinsurances Limited entered into this agreement. Under this agreement, the QBE “Producing Offices” provide business referrals to the “Insurer” or “Servicing Offices”, and the servicing office will issue and service the local policies in line with the requirements provided by the business referral, and the stipulations and guidelines prescribed by this agreement.

Multinational Client Centre Agreement for the Provision of Services

Effective January 1, 2017, QBENA (excluding NAU), QBE Group Services Pty LTD (QGS), QBE Americas, Inc., QBE Management Services Pty Limited, QBE Management Services (UK) Limited, and listed QBE North America entities entered into this agreement. The agreement covers the provision of administrative services by service providers to the producing offices in serving clients.

Variation Agreements

Effective August 1, 2018, the QBENA entities (excluding NAU), entered into separate Variation Agreements (“Agreements”). Under these agreements, Blue Ocean Re replaced Equator Re as the reinsurer under the Multinational Cooperation Agreement.

Intercompany Cost Allocation and Management Services Agreement

Effective with the latest amendment on December 30, 2017, the company entered into this service agreement with QBE Investments and subsidiaries’ affiliates. In accordance with this agreement, QBE Americas and UnigardIns provide actuarial, finance, accounting, legal, marketing, human resources, investment advice, internal audit, risk management, reinsurance, underwriting, claims, senior management and staff, information systems, group insurances, and policy services for the actual cost of the services performed. Within 30 days of the end of each

month, the provider of service is to bill the receiver, with the settlement due within 15 days of receipt. The agreement may be terminated with 90-days' written notice.

Services Agreement

Effective with the latest amendment on September 30, 2015, QBE FIRST Insurance Agency (QBE FIRST), and the QBE Regional companies entered into this agreement. The purpose of the agreement is to allow QBE FIRST to provide the QBE Regional companies with specific policy and claims services for certain personal lines (as outlined in Schedule A of the agreement). The QBE Regional companies each pay QBE FIRST a service commission of 3% of the net personal lines renewal premium, which is due within 30 days of the receipt of the month-end report. The agreement may be terminated by either party with 90-days' written notice. Amendment Number One, effective September 30, 2015, replaced QBE FIRST Insurance Agency, Inc., with Westwood Insurance Agency (to reflect the entity performing the services).

Agency Agreement

Effective with the latest amendment on September 30, 2015, QBE FIRST, the QBE Regional companies, and QBEIC entered into this agency agreement. The purpose of the agreement is to allow QBE FIRST to operate as an agent for the QBE Regional companies in the jurisdictions where QBE FIRST is properly licensed with respect to the personal auto, personal property, and personal umbrella lines of business. The QBE Regional companies each pay QBE FIRST a commission of 10% to 15%, depending on the type of business, which is due within 30 days of the receipt of the month-end report. The agreement may be terminated by mutual written agreement of both parties in accordance with the terms and conditions to which they have agreed. Amendment Number One, effective September 30, 2015, replaced QBE FIRST with Westwood Insurance Agency (to reflect the entity performing the services).

Tax Sharing Agreement

Effective April 1, 2017, QBE Investments and listed subsidiaries entered into a tax-sharing agreement. The agreement has since been amended to include acquired subsidiaries or to terminate former subsidiaries. In accordance with this agreement, the group allocates tax among its members specifically on the basis of the tax a member would be liable for if it had filed

a separate federal income tax return. Net operating loss and capital carryovers of the members shall be taken into account only to the extent such items were generated in a consolidated return year to which this agreement or a previous tax sharing agreement applied and the member has not previously been and is not otherwise compensated for the use of such tax benefit items.

Estimated tax payments are to be paid to the parent on a quarterly basis with final settlement within 30 days of the filing of the consolidated return. If any adjustments are necessary, the amount differing from the amount previously determined shall be paid within 10 business days after parent receipt of a refund or at least five days before the due date for payment of additional tax liability. This agreement applies to all taxable years beginning with the effective date unless it is amended or terminated in writing by mutual agreement of all parties to the agreement.

V. REINSURANCE

The company's reinsurance portfolio and strategy are described below. A list of the companies that have a significant amount of reinsurance in force at the time of the examination follows. The contracts contained the proper insolvency provisions.

Second 2017 Revision of the 1976 QBE North America Pooling Agreement

Effective January 1, 1976, GC-WI, Regent and GCIC entered into an intercompany pooling arrangement whereby the entire net business in force and produced as of that date was ceded to GC-WI and then redistributed between the participants on a pro rata basis. The second 2017 revision of the 1976 QBE North America Pooling Agreement was designed to reaffirm the basic provisions of the 1976 agreement, as previously amended, and to remove Blue Ridge Indemnity Company (BlueInd) from the Agreement and assign all of the rights, duties and liabilities of BlueInd under the Agreement to GC-WI effective April 1, 2017.

Pool participants have entered into certain quota share and/or loss portfolio agreements in which cessions are made prior to participation in the pooling arrangement. These reinsurance agreements are discussed below, as applicable to the company. Aside from these cessions, participants cede 100% of net written premiums, net losses, and net loss adjustment expenses to QBEIC. QBEIC, as the pool reinsurer, assumes on a severally liable basis and cedes to pool participants on a jointly and severally liable pro rata basis as follows effective April 1, 2017:

Company Name	Percentage
QBE Insurance Corporation	36.50%
NAU Country Insurance Company	19.25
General Casualty Company of Wisconsin	15.00
Unigard Insurance Company	7.50

Stonington Insurance Company	0.00
Unigard Indemnity Company	0.00

Monthly accounting of all activity and information relative to policies affected by the agreement is to be provided within 30 days after the close of each month. Settlements of any balances due shall be completed within 45 days after the close of each quarter. Each participant shall have the opportunity to review and approve any and all reinsurance transactions that in any way may affect the agreement. The agreement may be terminated by any participant at the end of any treaty year by providing at least one-year prior written notice to the remaining parties to the agreement.

Affiliated Ceding Contracts

Blue Ocean Second Amended and Restated Loss Portfolio Transfer and Quota Share Reinsurance Agreement

Effective January 1, 2015, current or future associate, subsidiary, and affiliated companies of QBENA entered into a quota share agreement with the affiliate, Equator Re. Equator Re reinsures 40% of QBENA companies' net liability with respect to all direct and assumed business underwritten except that which is specifically excluded. The agreement was amended effective October 1, 2015, to terminate reinsurance under the agreement on business classified as mortgage and lender services on a cut-off basis, as respects all QBENA. Effective January 1, 2016, the agreement was amended the second time to change the terms of the agreement from a calendar-year basis to loss-occurring basis under policies in force as of January 1, 2016 (with effective dates of January 1, 2015, and later) and policies written or renewed with effective dates thereafter, as respects all QBENA Wisconsin domiciled companies and certain listed companies. Furthermore, the agreement was amended to terminate SGty effective January 1, 2017, and again amended effective April 1, 2017, to terminate BlueInd.

In addition to the quota share agreement, the Loss Portfolio Agreement was entered into January 1, 2016, whereby Equator Re reinsures 31% of the ultimate net liability and extra-contractual obligations and loss in excess of policy limits incurred and recorded to the cedents' (GC-WI, GCIC, Regent, BlueInd, SGty, SPilot, SFire, NFU, UnigardIns, UnigardInd, Specialty, QBE Re, QBEIC, Praetorian, North Pointe, Stonington, Hoosier, and NAU's) financial statements as of December 31, 2015, except that which is specifically excluded under the loss portfolio

transfer agreement. The agreement was amended to terminate SGty effective January 1, 2017, and again amended effective April 1, 2017, to terminate BlueInd.

Effective December 31, 2017, GC-WI, North Pointe, Praetorian, QBEIC, Specialty, and Stonington (the cedents) and Equator Re agreed to amend, restate, and consolidate such that increase the aforementioned 40% quota share agreement and the aforementioned 31% loss portfolio transfer agreement to 100% quota share of covered losses, whenever occurring, under policies issued or assumed by the cedents that are included in certain discontinued programs.

Effective January 1, 2018, the cedents and Equator Re and Blue Ocean entered into the second amended and restated loss portfolio and quota share reinsurance agreement. All parties agreed that Equator Re assumes 100% quota share of covered losses occurring on or before December 31, 2017, and Blue Ocean assumes 100% quota share of covered losses occurring on or after January 1, 2018. Covered losses include ultimate net loss, third-party administrator expenses, extra-contractual obligations, loss in excess of policy limits, premium payable under the inuring reinsurance agreements applicable to discontinued programs, and assessments related to the Michigan Catastrophic Claims Association (MCCA) and any similar assessments. On the effective date, an initial reinsurance premium should be transferred from the Equator Re trust account to the Blue Ocean trust account. This amount equals to the unearned premium from reinsured policies as of January 1, 2018. Additional reinsurance premium is equal to: 60% of premium written from policies as regards the Community Association Underwriters of America, Inc., program, or 67.712% of premium written from policies as regards all other discontinued programs, or 100% of amount paid by third-party reinsurers, received from the MCCA, salvage, litigation or arbitration recoveries. A ceding commission of 100% of net program expenses incurred is allowed to be deducted from the reinsurance premium. The agreement shall continue in force until such time as the Reinsurers' liability with respect to covered losses terminates, which will be the earlier of: (i) the date the cedents' liability with respect to the discontinued programs is terminated and all amounts due to the cedents under this agreement with respect to the discontinued programs is paid or (ii) the date on which this agreement is terminated by the mutual written consent of the parties.

Excess of Loss and Catastrophe Reinsurance Portfolio

The company's ceded reinsurance portfolio for catastrophic and excess of loss coverages is assigned and placed by QBE North America located in New York City, with the company's approval. QBE North America uses the "group aggregate methodology" in the development of their ceded reinsurance portfolio. The catastrophic and excess of loss coverages encompass all insurance subsidiaries of QBE North America. In determining adequate coverage, various loss scenarios are considered with the intent to protect the participants from a 100/250 year catastrophic event. The "group aggregate methodology" results in more buying power due to the centralization of reinsurance procurement. Exhibit A summarizes the company's ceded reinsurance portfolio for catastrophic and excess-of-loss coverages.

Blue Ocean Re Trade Credit Quota Share Agreement

In addition to the trade credit excess-of-loss reinsurance agreement described in the Exhibit A, effective January 1, 2018, subsidiaries and associated companies of QBE Limited entered into a quota share agreement with the affiliate, Blue Ocean Re. Blue Ocean Re reinsures 40% of the cedents' net loss with respect to business written and classified as credit risk, political risk, and surety except that which is specifically excluded. The cedents receive a ceding commission based on a sliding scale, according to which provisional ceding commission is 36% (and shall be payable at a loss ratio of 61%), the maximum ceding commission is 50% and minimum ceding commission is 28% of gross net premium income. A quarterly accounting of all activity pursuant to the agreement is to be provided within 45 days after the close of each quarter. Settlements of any amounts due shall be completed within 15 days after the receipt of accounting activity.

Equator Re Novation Agreement

Effective January 1, 2018, all companies affiliated with QBENA entered into a novation agreement with an affiliate, Equator Re and an affiliate, Blue Ocean. Blue Ocean assumes all existing and future rights, liabilities, duties, and obligations of Equator Re under the reinsurance agreements between QBENA and Equator Re with the same effect as if Blue Ocean had originally entered into the Reinsurance Agreements with QBENA.

For that reason, Blue Ocean Re is the reinsurer of any following affiliated ceding reinsurance agreements described in the “REINSURANCE” section to replace Equator Re, effective January 1, 2018.

Reinsurance Trust Agreement

Pursuant to s. Ins 52.05, Wis. Adm. Code, effective March 29, 2012, GC-WI, GCIC, Regent, BlueInd, SPilot, SFire, UnigardIns, UnigardInd, Hoosier, and NFU entered into three reinsurance trust agreements with Equator Re and Citibank, N.A. (the Trustee).

After the creation of Blue Ocean Re, GC-WI, GCIC, Regent, SPilot, SFire, UnigardIns, UnigardInd, Hoosier, and NFU (the beneficiaries) entered into three reinsurance trust agreements with Blue Ocean Re and the same Trustee, dated as of May 17, 2018.

Blue Ocean Re secures payments of amounts due to the company under any reinsurance agreements entered into by the beneficiaries and Blue Ocean Re by transferring assets to the Trustee for deposit into the trust accounts for the sole benefit of the beneficiaries. The agreements may be terminated by the beneficiaries by at least 45-days’ and not more than 60-days’ written notice to Blue Ocean Re and the Trustee, and may be terminated by Blue Ocean Re by at least 45-days’ and not more than 60-days’ written notice to the beneficiaries and the Trustee. Blue Ocean Re is responsible for reimbursing the Trustee for its fees and expenses under the reinsurance trust agreements.

Ratio No.3 ("Change in Net Premiums Written") measures the change in net premiums written from the prior year. The exceptional ratio for 2016 was due to changes in the pooling agreement, where the company's participation percentage decreased from 1.6% in 2015 to 0.0% in 2016.

Ratio No. 5 ("Two-Year Overall Operating Ratio") measures the company's profitability over the previous two-year period. The exceptional ratios for 2013 through 2016 were the result of significant losses and loss adjustment expenses incurred during this period, decreased premium volume, and adverse prior year development.

Ratio No. 6 ("Investment Yield") measures the amount of the company's net investment income as a percentage of the average amount of cash and invested assets. This ratio was exceptional in all years examined. A large portion of the company's portfolio is allocated in high-quality, short-duration, fixed-income securities. The company's conservative investment approach and the prolonged low-interest rate environment in the United States contributed to exceptional results.

Ratios No. 7 (“Gross Change in Surplus”), and No. 8 (“Change in Adjusted Policyholders’ Surplus”) were exceptional in 2013 due to the extraordinary dividends in the amount of \$ 1.8 million that were paid to the parent company, GC-WI.

Ratio No. 9 (“Liabilities to Liquid Assets”) measures the company’s ability to meet its financial demands. This ratio was exceptional for 2013, 2014, and 2015. The primary reasons for the exceptional results were the decreasing premium volume, adverse prior year development, and seasonal fluctuations related to administration of the federal crop business, which can periodically create large receivables that are not counted as liquid assets under this ratio. In 2016 and thereafter, Regent did not retain any pooled business and did not have a seasonal impact.

During the period under examination, Regent, as a member of the QBE North American group, faced significant challenges due to the global economic conditions, unusual frequency and severity of claims, catastrophes, and difficult investment market conditions. From 2012 to 2017, the company reported a 74.7% decrease in assets, a 93.0% decrease in liabilities,

and a 15.3% decrease in surplus. The net operating results were unfavorable in the years 2012, 2013, and 2014.

In 2013, QBE Limited implemented an operational transformation program with the goal to increase effectiveness and ability to compete in the insurance markets. A major objective of the program was to provide operational expense savings by offshoring and outsourcing services. The plan was completed in 2015, resulting in improved net operating results. Despite the significant decline in net income in 2017, the company remained profitable.

Gross premium written decreased by 46.1% over the six-year period, mostly due to the reduction in the premium volume. Net premium written decreased by 100%, due to the company ceding all net written business to QBEIC, the lead company of the North American affiliated pooling agreement.

The loss and LAE ratio had a decreasing trend from 2013 through 2015. In 2016 and thereafter, the ratio was 0.0% due to the company's 0% participation under the reinsurance pooling agreement.

Reconciliation of Surplus per Examination

No adjustments were made to surplus as a result of the examination. The amount of surplus reported by the company as of December 31, 2017, is accepted.

VII. SUMMARY OF EXAMINATION RESULTS

Compliance with Prior Examination Report Recommendations

There were three specific comments and recommendations in the previous examination report. Comments and recommendations contained in the last examination report and actions taken by the company are as follows:

1. Biographical Information and Jurat Page Reporting—It is recommended that the company file biographical affidavits on all officers who have executive decision-making authority in accordance with s. Ins 6.52 (5), Wis. Adm. Code.

Action—Compliance.

2. Equator Re Reinsurance Agreements and Trust—It is recommended that the company amend its reinsurance trust agreement to include how recoveries are to be allocated among participants in the event that the reinsurer is unable to fulfill its responsibilities.

Action—Compliance.

3. Reserve Development and Documentation—It is recommended that the company include sufficient documentation in its actuarial report including clear descriptions of sources of data, material assumptions, and methods in accordance with Actuarial Standard of Practice No. 41.

Action—Non-Compliance, see comments in the “Summary of Current Examination Results.”

Summary of Current Examination Results

This section contains comments and elaboration on those areas where adverse findings were noted or where unusual situations existed. Comment on the remaining areas of the company's operations is contained in the examination work papers.

Management and Control

The company has established a procedure for disclosure of conflicts of interest for its officers, directors, and responsible employees in compliance with a directive of the Commissioner of Insurance. As part of the examination, a review was performed to ensure that all officers and directors are complying with the company's conflict of interest disclosure requirements. Conflict of interest questionnaires were reviewed for the period under examination, and the company was unable to locate copies of the conflict of interest statements for all officers and directors for 2016. It is recommended that the company continue to have all officers and directors complete an annual conflict of interest disclosure.

Executive Compensation

The State of Wisconsin requires each Wisconsin-domiciled insurer to file a supplement to the annual statement entitled "Report of Executive Compensation" pursuant to ss. 601.42 and 611.63 (4), Wis. Stat. This report includes the total annual compensation paid to each director, the chief executive officer, and the four most highly compensated officers or employees other than the chief executive officer. In addition, the report requires disclosure of the compensation of all executive officers whose compensation exceeds specified amounts. The company completed this form disclosing employees with compensation over \$400,000. All remuneration paid or accrued for services on behalf of each reportable employee should be included in the Report on Executive Compensation.

The examiners' review of executive compensation revealed that the company did not include in the Report on Executive Compensation the employer paid portion of health insurance benefits, (401) K employer's matching contribution, accidental death and dismemberment, group-term life insurance, employee assistance program, medical benefit contribution, employer's health savings account contribution, and long-term disability employer's paid premiums. It is

recommended that the company properly complete the Report on Executive Compensation as required by s. 611.63 (4), Wis. Stat.

Actuarial Report Documentation

The review of the QBENA reserves was performed by INS Consultants, Inc., an outside independent actuary contracted by the lead state.

The external actuary found that QBENA companies' exam report contained a finding that the actuarial report issued in support of the 2017 Statement of Actuarial Opinion did not provide sufficient details for another actuary practicing in the same field to evaluate the work in accordance with Actuarial Standard of Practice No 41. Pursuant to the NAIC's *Annual Statement Instructions – Property/Casualty*, actuarial report documentation should clearly disclose the sources of data, material assumptions, and methods, among other requirements. It is again recommended that the company include sufficient documentation in its actuarial report in accordance with Actuarial Standard of Practice No. 41. The following are specific areas where improvement in actuarial report documentation is recommended:

- Future actuarial report exhibits developed in ResQ model reflect clearer labeling and footnotes, to the extent possible;
- A summary of the indicated and carried loss and LAE reserve position by reserve review segment as of both September 30, 20XX and December 31, 20XX be included in future versions of the actuarial report;
- The companies include a more traditional actual-versus-expected roll-forward analysis at a disaggregated level in future reserve studies;
- All detailed exhibits in support of the crop analysis performed by the companies be included in future actuarial reports;
- Detailed exhibits in support of the asbestos and environmental ("A&E") analysis be included in the actuarial report, with a breakout of A&E reserves from the by-segment analysis provided; and

- Future actuarial reports include a complete Schedule P reconciliation of paid losses, case outstanding reserves, and earned premiums by reserve review segment to the Schedule P lines of business.

VIII. CONCLUSION

The company was incorporated under Wisconsin laws on January 22, 1963, as a property and casualty insurer. The company has been a wholly owned subsidiary of GC-WI since its inception. Effective December 22, 2006, Credit Suisse Group finalized the sale of Winterthur Swiss Insurance Company (former upstream parent of the company) to AXA. Effective May 31, 2007, AXA finalized the sale of Winterthur U.S. Holdings, Inc., (a former subsidiary of Winterthur Swiss Insurance Company) and its consolidated subsidiaries to QBE Holdings, Inc., a subsidiary of Australian-based QBE Insurance Group Limited. Winterthur U.S. Holdings, Inc., was renamed QBE Regional Companies (N.A.), Inc.

Regent is one of the 16 companies that comprise the QBENA pooled entities at year-end 2017. As a part of the QBENA sub-group, the company markets a broad range of property and casualty lines, including personal, commercial, agriculture, crop, and specialty products.

From 2012 - 2017, Regent's admitted assets decreased 74.7%, gross premiums written decreased by 46.1%, and surplus decreased by 15.3%. The decrease in admitted assets and surplus was a result of the decrease in net income from operations. The decrease in gross premiums written was primarily attributable to the reduction in the premium volume. As of December 31, 2017, Regent had assets of \$40,893,097, liabilities of \$8,683,329, and a surplus of \$32,209,768.

The company complied with two out of the three recommendations from the previous examination report.

IX. SUMMARY OF COMMENTS AND RECOMMENDATIONS

1. Page 51 - Management and Control—It is recommended that the company continue to have all officers and directors complete an annual conflict of interest disclosure.
2. Page 51 - Executive Compensation—It is recommended that the company properly complete the Report on Executive Compensation as required by s. 611.63 (4), Wis. Stat.
3. Page 52 - Statement of Actuarial Opinion Compliance—It is again recommended that the company include sufficient documentation in its actuarial report in accordance with Actuarial Standard of Practice No. 41.
 - Future actuarial report exhibits developed in ResQ model reflect clearer labeling and footnotes, to the extent possible.
 - A summary of the indicated and carried loss and LAE reserve position by reserve review segment as of both September 30, 20XX and December 31, 20XX be included in future versions of the actuarial report.
 - The companies include a more traditional actual-versus-expected roll-forward analysis at a disaggregated level in future reserve studies.
 - All detailed exhibits in support of the crop analysis performed by the QBENA companies be included in future actuarial reports.
 - Detailed exhibits in support of the asbestos and environmental (“A&E”) analysis be included in the actuarial report, with a breakout of A&E reserves from the by-segment analysis provided.
 - Future actuarial reports include a complete Schedule P reconciliation of paid losses, case outstanding reserves, and earned premiums by reserve review segment to the Schedule P lines of business.

X. SUBSEQUENT EVENTS

On December 22, 2017, the US Tax Reform Act was signed into law. Several provisions of the new Tax Legislation significantly affected the insurance industry including the Base Erosion Anti Abuse Tax (BEAT) provision. The BEAT imposes an additional minimum tax on payments made from U.S. companies to foreign affiliates including payments related to reinsurance. As disclosed in the Notes to the company's 2018 financial statements: "To avoid a significant negative capital impact resulting from the BEAT, QBE Insurance Group of North America restructured its organizational legal entity structure. A new Bermuda subsidiary, called QBE Blue Ocean Re Limited ("Blue Ocean Re"), was formed and moved under U.S. ownership. Blue Ocean Re will make an IRS 953(d) election to be taxed as a US taxpaying corporation. Most all the affiliate reinsurance placements from the Company will be placed with Blue Ocean effective January 1, 2018. Since the reinsurance payments made by the Company to Blue Ocean will be considered US domestic to US domestic payments the BEAT will not apply."

On August 1, 2018, Sutton National Insurance Holdings LLC submitted a Form A filing with the State of Wisconsin Office of the Commissioner of Insurance (OCI) pertaining to a proposed acquisition of control of Unigard Indemnity Company. OCI approved the transaction on December 17, 2018. The sale was consummated on January 1, 2019.

On December 5, 2018, Integon National Insurance Company submitted a Form A filing with the State of Wisconsin, OCI pertaining to a proposed acquisition of control of NFU. The application is currently under review.
