Dear Ms. Forsberg:

Enclosed is the financial statement information for Independent Physicians Network, Inc. ("IPN") relating to Item 12 (Exhibit D-1) of the Form A.

With respect to the enclosed financial statements of IPN, such financial statements contain confidential information that could put IPN at a competitive disadvantage if released publicly and IPN has taken reasonable efforts to maintain the confidentiality of such information. The information constitutes a "trade secret" under Wis. Stat. § 134.90(1)(c) because it "derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use [and] is the subject of efforts to maintain its secrecy that are reasonable under the circumstances." Therefore, IPN request that OCI maintain the confidentiality of this information and not release this information to the public.

IPN appreciates your consideration with respect to these confidential matters.

Very truly yours,

John F. Emanuel
