BRANCH 15

In the Matter of the Liquidation of:

Wisconsin Reinsurance Corporation and 1st Auto &
Casualty Insurance Company

Case No. 2023CV1310

Case Code: 30703

LIQUIDATOR'S REPORT REGARDING CLAIMS

The Commissioner of Insurance of the State of Wisconsin, Nathan Houdek, as Liquidator of Wisconsin Reinsurance Corporation and 1st Auto & Casualty Insurance Company (the “Liquidator”), pursuant to Wis. Stat. §§ 645.71 and 645.51(1), submits the following report of claims submitted in the liquidation.

A total of 329 proofs of claim, including two late-filed claims, have been submitted in the liquidation of Wisconsin Reinsurance Corporation (the “WRC Claims”). While the amount of some claims remains undetermined, the determinable claims total \$15,790,154.47. The Liquidator has adjudicated some of the WRC Claims and sent determination letters to those claimants informing them of the Liquidator’s determinations and of the claimants’ right to object. The Liquidator’s evaluation of the remaining WRC Claims is ongoing. Attached hereto as Exhibit A is a chart of the timely filed WRC Claims, and attached hereto as Exhibit A-1 is a chart of the late-filed WRC Claims. Each chart sets forth for each claim: (i) the claimant’s name and address;¹ (ii) the nature of the claim; and (iii) the claim amount. The chart also sets forth the Liquidator’s conclusion as to the claim’s classification and allowable amount for each claim the

¹ In the interest of privacy, all charts attached as exhibits hereto omit the addresses of natural persons who submitted proofs of claim.

Liquidator has evaluated as of this filing. Note that the classifications and allowable amounts shown in the charts do not account for deductibles and subordinations required by Wis. Stat. §§ 645.68(3), (4), and (8).

A total of 433 proofs of claim, including twelve late-filed claims, have been submitted in the liquidation of 1st Auto & Casualty Insurance Company (the “1st Auto Claims”). While the amount of some claims remains undetermined, the determinable claims total \$21,395,405.23. The Liquidator has adjudicated some of the 1st Auto Claims and sent determination letters to those claimants informing them of the Liquidator’s determinations and of the claimants’ right to object. The Liquidator’s evaluation of the remaining 1st Auto Claims is ongoing. Attached hereto as Exhibit B is a chart of the timely filed 1st Auto Claims, and attached hereto as Exhibit B-1 is a chart of the late-filed 1st Auto Claims. Each chart sets forth for each claim: (i) the claimant’s name and address; (ii) the nature of the claim; and (iii) the claim amount. The chart also sets forth the Liquidator’s conclusion as to the claim’s classification and allowable amount for each claim the Liquidator has evaluated as of this filing. Note that the classifications and allowable amounts shown in the charts do not account for deductibles and subordinations required by Wis. Stat. §§ 645.68(3), (4), and (8).

The Liquidator’s ability to pay the allowable amount for each claim, and the amount of any such payment, is dependent on the claims paying resources available from the estate of each company and the application of Wis. Stat. § 645.68, which establishes the order of distribution and deductibles applicable to certain claims.

Dated at Madison, Wisconsin this 24th day of September, 2024.

Respectfully submitted,

GODFREY & KAHN, S.C.
