This letter is a follow-up to your February 22, 2005 e-mail correspondence regarding the Fortis Insurance Company Market Conduct Examination report.

Please note that Fortis Insurance Company will not contest the adoption of the Examination Report with the suggested revisions accepted and offered by the Office of the Commissioner of Insurance (OCI) in its February 22, 2005 correspondence.

As indicated in our prior discussions regarding the examination, Fortis Insurance Company has begun remedial action for the matters identified in the report that required correction and/or better documentation to demonstrate compliance. The Company is committed to complying with all applicable Wisconsin laws and regulations. We will follow up with the OCI with documentation demonstrating the completion of the necessary corrective action and/or with a remedial action plan that provides details of how the Company intends on addressing the recommendations outlined in the Report within forty-five (45) days of the date of this letter.
