To whom it may concern:

I have read the document titled "Possible Wrongdoing on Accounts of Craig Van Dyke, Dan Shinnick, and the Western Fraternal Life Board of Directors during the Consolidation of Western Fraternal Life and National Mutual Benefit". As a delegate -at-large at the Convention referenced in this document, I can attest to its validity and truth. I was part of the discussions as I was on the Pre-convention committee when this possible consolidation was first brought to our attention and have been in discussion with other Convention delegates before and now after the voting process concerning this proposal.

With sincere fraternalism,

Galen Spinler
