

To the Iowa Commissioner of Insurance and
Wisconsin Commissioner of Insurance

June 8, 2020

Dear Sirs:

I strongly support the letter listing the Wrongdoings on Accounts of Craig Van Dyke, Dan Shinnick, and the Board of Directors of Western Fraternal Life.

I served on the Board of Western Fraternal Life from 1976 until 2006, representing Colorado, Louisiana, Kansas, Oklahoma, and Texas. I never witnessed such behavior as that of President Craig Van Dyke. During my time on the board we had four presidents, Charles Vyskocil, Elmer Karasek, Ray Miller and Philip Torticill.

I encourage you to investigate the allegations listed in the aforementioned document.

Sincerely,

Julius Dubcak

Julius Dubcak
