**The Applicant's Future Plans**

Besides combining operations and combining assets and liabilities under one structure, the future plans of the surviving entity, MMIC, also include that MMIC will offer agency agreements to each agent who had appointments with KCMIC as of the date of the merger agreement.

MMIC shall offer employment to all employees of KCMIC with similar roles and salaries as they currently hold.

**The s. 612.22 Wis. Stats. Standard**

Section 612.22 Wis. Stats. incorporates the information gathering requirements of s. 612.02(4) (the application requirements for a certificate of authority) while directing the Commissioner to answer three broad questions contained in s. 612.22(3).

1. Is the Plan contrary to the law; or,
2. That the surviving or new corporation would not satisfy the requires for a certificate of authority under s. 612.02 (6); or
3. That the plan would be contrary to the interest of the insureds or the public.

## **Conclusion**

After reviewing the information provided by the Applicants, the OCI believes that approving this merger is in the best interest of the policyholders of KCMIC and MMIC. It is the OCI's opinion that the plan cannot be said to be contrary to the law because it provides the necessary information required by statute, the surviving entity would be able to satisfy the requirement for a certificate of authority, and the plan would not be contrary to the interest of the insureds or the public. Therefore, the transaction should be approved.

After the transaction closes the surviving entity, MMIC, as a 611 mutual insurer, will be authorized to do business in all counties.
