Dear Commissioner Afable and Deputy Commissioner Houdek:

On behalf of the Medical College of Wisconsin (MCW), and MCW's Advancing a Healthier Wisconsin (AHW) Endowment, we are seeking approval for AHW's program audit process.

Program audits are required as indicated in the following clause in the March 28, 2000 order from the Wisconsin Commissioner of Insurance:

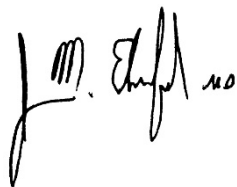

PROGRAM AND FINANCIAL AUDITS

At least every five years the University of Wisconsin Foundation/University of Wisconsin Medical School and the Medical College of Wisconsin shall obtain a program and financial audit from the Legislative Audit Bureau or from an independent firm approved by, or selected under standards approved by, the Commissioner, and shall submit the audit report to the PCHOAC, Board of Regents or Board of Trustees, and the Wisconsin United for Health Foundation, Inc., if still in existence.

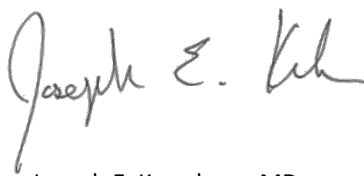

AHW's past practice has been to conduct a program audit every five years, with the most recent audit completed for the period of January 1, 2014 to December 31, 2018. We are seeking approval to conduct the program audit annually. To accomplish the shift in timeline, an audit for the period of January 1, 2019 to June 30, 2021 is being proposed, with annual audits thereafter beginning for the period of July 1, 2021 to June 30, 2022. We request the program audits be conducted by KPMG, through an agreed-upon procedures approach, as is consistent with the most recently completed audit. Conducting annual program audits will allow for more timely reports being made available to the public. AHW requests no change to the financial audit process, which is conducted annually by KPMG.

Thank you for your consideration of this request. We look forward to your response, along with continued partnership with you and your staff. If any additional information is needed, please do not hesitate to contact me.
