

## Companies Offering Long-Term Care Insurance Policies or Riders in Wisconsin

The [insurance](#) companies listed below have indicated they offer stand-alone long-term care (LTC) insurance [policies](#), long-term care riders on life insurance policies, or long-term care riders on annuities in Wisconsin. Stand-alone LTC policies are also called traditional LTC policies and are specifically designed only to cover the costs associated with long-term care. Riders on life insurance policies or annuities use the death benefit or contract value to pay for long-term care services, which reduces the amount of the death benefit from the life insurance policies or contract value of the annuities. You may contact the companies using the information below so that you may compare benefits and [premiums](#).
