

Companies Offering Long-Term Care Insurance Policies or Riders in Wisconsin

OFFICE OF THE COMMISSIONER OF INSURANCE

PI-046 (R 02/2017)

The insurance companies listed below have indicated that they offer in Wisconsin stand-alone long-term care (LTC) insurance policies or long-term care riders on life insurance policies or long-term care riders on annuities. Stand-alone LTC policies are also called traditional LTC policies and are specifically designed only to cover the costs associated with long-term care. Riders on life insurance policies or on annuities use the death benefit or contract value to pay for long-term care services, which reduces the amount of the death benefit from the life insurance policies or contract value of the annuities. You can contact the companies using the information below so that you can compare benefits and premiums.
