Dear Fund Participant:

IPFCF's Board of Governors has approved the annual assessment remaining at its current level for Fiscal Year 2024, July 1st, 2023 to July 1st, 2024. The Annual Medical Mediation Panel fees are \$5.00 per physician (excluding physicians in a residency program) and \$1.00 per occupied bed for hospitals.

IPFCF payments can be made through the Provider Portal by credit card or ACH. Check payments can be mailed to IPFCF's lockbox address, along with the Employer Billing Summary or the top portion of the bill(s). Please make your check payable to the Injured Patients and Families Compensation Fund.

The IPFCF sends bills on a quarterly basis. A provider can pay the total annual balance or can make quarterly payments, but the minimum amount due is required to remain in compliance. If the minimum quarterly payment is not made, IPFCF coverage does not apply for the corresponding quarter. The annual interest rate of 2.897% and a \$3.00 administration fee will be applied to all deferred balances. Interest charges and administration fees will appear on the following quarterly billing statement.

Please contact Trina Schwartz at (608) 707-5477 or trina.schwartz@wisconsin.gov if you have questions about your billing statement. Alternatively, visit our Web site at oci.wi.gov/pcf.htm for additional information. Please include your account number when corresponding with IPFCF.

Sincerely,
