June 1, 2016

Dear Fund Participant:

Enclosed is your Injured Patients and Families Compensation Fund (Fund) billing statement for the 2016-17 fiscal year (July 1, 2016, through June 30, 2017).

The Fund's Board of Governors has approved a fee schedule for Fund rates for fiscal year 2016-17. There will be an overall decrease of 30% in Fund rates from the fees paid for the previous fiscal year. The rate level is below the actuarially determined break-even amount for the fiscal year, representing a rate subsidy provided through an allocation of Fund net equity. Annual Medical Mediation Panel fees will be \$7.75 per physician (excluding physicians in a residency program) and \$1.50 per occupied bed for hospitals.

It is important that payments be mailed to the Fund's lockbox address, along with the Employer Billing Summary or the bottom portion of the bill(s). Please make your check payable to the Injured Patients and Families Compensation Fund. For your convenience, a self-addressed return envelope is enclosed.

A provider must pay the minimum amount due to be in financial compliance. The Fund sends quarterly bills in June, September, December and March. The minimum payment due is the payment required to maintain Fund coverage for the next quarter. The annual interest rate of 0.204% will be assessed for fiscal year 2016-17 on both late payments and any deferred balance. Interest charges will appear on the next quarterly bill following the period for which the charges are incurred.

Please contact Ms. Mary Moore at the Fund at (608) 266-7525 or mary.moore@wisconsin.gov if you have questions about your billing statement, or visit our Web site at oci.wi.gov/pcf.htm for additional statement and billing information as well as secure system access, including paperless billing and electronic payment options. Please include your account number when corresponding with the Fund.

Sincerely,

Theodore K. Nickel
Commissioner
