### Credit For Reinsurance—Chapters Ins 52 And 55, Wis. Adm. Code

Chapter Ins 52, Wis. Adm. Code, applies to reinsurance ceded under agreements entered into, or renewed, on or after August 1, 1993. In addition, in order that credit may be taken for reinsurance, each reinsurance contract must constitute an undertaking by the reinsurer to indemnify the ceding insurer, **not only in form but in fact**, against loss or liability by reason of the original insurance. Any life reinsurance contract which meets one or more of the terms of s. Ins 55.02, Wis. Adm. Code, would not result in a valid exchange of risk, and the ceding company may not take credit for such reinsurance without the specific approval of this office. All insurers are reminded that any reinsurance not in the normal and usual course of business shall be reported to this office not less than 30 days in advance of the proposed effective date, pursuant to ss. 611.78 and 618.32, Wis. Stat., and is subject to disapproval.
