CREDIT FOR REINSURANCE—CHAPTERS INS 52 and 55, WIS. ADM. CODE

Chapter Ins 52, Wis. Adm. Code, applies to reinsurance ceded under agreements entered into, or renewed, on or after August 1, 1993. In addition, in order that credit may be taken for reinsurance, each reinsurance contract must constitute an undertaking by the reinsurer to indemnify the ceding insurer, not only in form but in fact, against loss or liability by reason of the original insurance. Any life reinsurance contract which meets one or more of the terms of s. Ins 55.02, Wis. Adm. Code, would not result in a valid exchange of risk, and the ceding company may not take credit for such reinsurance without the specific approval of this office. All insurers are reminded that any reinsurance not in the normal and usual course of business shall be reported to this office not less than 30 days in advance of the proposed effective date, pursuant to ss. 611.78 and 618.32, Wis. Stat., and is subject to disapproval.

SPECIAL INSTRUCTIONS FOR WISCONSIN-DOMICILED HEALTH MAINTENANCE ORGANIZATIONS

Uncovered Liabilities - All liabilities of the insurer which an enrollee would also be liable for in the event of the insolvency of the insurer should be reported in Column 2 (uncovered) of the liabilities page. All other liabilities should be reported in Column 1 (covered). Contractual arrangements which release enrollees from the liability for payment of insured services in case of the insolvency of the insurer should be identified and described in a footnote. For periods following December 31, 1989, uncovered liabilities will be defined as all those not meeting the definition of "covered liability" under s. 609.01 (1), Wis. Stat., and will include liabilities to providers which have elected to opt out of the statutory hold-harmless provision of s. 609.91, Wis. Stat. Obligations to providers which have elected to opt out of the statutory hold-harmless provisions of s. 609.91, Wis. Stat., are to be classified as uncovered regardless of any contractual provisions.

Actuarial Statement - An actuarial certification is required for loss reserves, provision for experience rating refunds, and any other actuarial items unless waived in writing by the Commissioner. This requirement is more fully described in the instructions to the HMO annual statement blank.

Amounts Due from Affiliates - Under s. Ins 9.10, Wis. Adm. Code, receivables, notes or obligations due from an affiliate must be shown as nonadmitted assets unless the Commissioner has approved a different value and the amount is fully secured by cash. A current prepaid capitation not in excess of one month's capitation to an affiliated health care provider is considered an admitted asset and therefore may be included as the admitted portion of the asset "Amounts Due from Affiliates."

Amounts Due from IPAs - Under s. Ins 9.11, Wis. Adm. Code, receivables, notes, or obligations from IPAs must be shown as nonadmitted assets unless the Commissioner has approved a different value and the amount is fully secured by cash. A current prepaid capitation not in excess of one month's capitation to an IPA is considered an admitted asset and therefore should be included in the admitted asset column for the asset "Health Care Receivables."

Security Fund Deposit - 1989 Wisconsin Act 23 and s. 609.98, Wis. Stat., established a separate account in the Wisconsin Insurance Security Fund for HMO insurers and required security deposits to be made with the State Treasurer. The deposit should be disclosed in Schedule E - Part 3 of the annual statement. Although counted as admitted assets on the balance sheet, the deposits are not counted for meeting compulsory surplus requirements. HMO insurers are required to make additional deposits up to one third of 1% of premiums written in this state during the preceding calendar year by April 1, if needed to bring the total accumulated deposit to 1% of premiums written in this state during the preceding calendar year.

INSTRUCTIONS: List all covered expenses by provider. Covered expenses are those expenditures and outstanding liabilities of the HMO for health care cost for which an enrollee is not liable under s. 609.01, Wis. Stat. Section I of this form is used to report expenses to providers subject to Mandatory Holdharmless. These are expenses subject to s. 609.91 (1) (a), (am), or (lm), Wis. Stat. Section II of this form (reverse) is used to report covered expenses to a provider which are not subject to the Mandatory Holdharmless but for which the provider may "opt-out" of the holdharmless. These generally are expenses to IPAs or hospitals or to selected providers for physician services. Such providers should not be included, however, if the provider has filed an "opt-out" form with the Commissioner. Section II should also include expenses to any other provider which has filed an "opt-in" form with the Commissioner. Attach additional copies of this form if more space is needed. Section III, Line A, should be the total of all covered expenses listed on this form. Expenses are to be reported on a cumulative basis; i.e., second quarter filings should include both first and second quarter expenses. Covered expenses for incurred but not reported expenses should be estimated based on historical data and the best information available to the HMO. Total medical expenses should be the sum of the medical and hospital expenses on the statement of revenue and expenses of the current financial statement, less incentive pool adjustments.
