A \$100 annual renewal fee is due on the anniversary of the original licensing date. OCI does NOT send notification of the annual renewal fee. Failure to remit the annual fee will result in the deactivation of the licensing of the rate service organization. In order to become licensed again, the rate service organization will be required to reregister as a new rate service organization with another initial \$400 fee.

Please complete this form and attach any documentation that shows material changes.
