

Title: Revised Benchmark Benefits Instructions

- <u>Subtitle:</u> Instructions for using state-specific information to accurately reflect Individual Market and Small Group Market EHB and state-required benefits on the Plans and Benefits Template.
- **Purpose:** This document provides issuers with instructions for correcting the Benefits Package Worksheet of the Plans and Benefits Template using the included state-specific worksheets (e.g., AK, HI, PA).
- Version: 1
- Date: Thursday, May 15, 2014

#### Background

To help issuers, this document lists important state- and CMS-identified corrections to the benefit data auto-populated by the 2015 Add-In file on the Benefits Package Worksheet of the Plans and Benefits Template. Benefits that have incorrectly auto-populated benefit data for the Small Group Market are indicated in the "Small Group Market Add-In Changes" columns of the state-specific spreadsheets (e.g., AK, AL, etc.) in this document.

Issuers should use the step-by-step instructions below when entering the benefit coverage information for each set of plans offered in the Small Group Market in the Benefits Package Worksheet of the Plan and Benefits Template. These instructions explain how an issuer should complete the benefit coverage information for the benefits that auto-populated inaccurately.

## **1** Identify the benefits that have incorrectly auto-populated data in the Benefits Package Worksheet

Select the appropriate state-specific spreadsheet.

Review the "Small Group Market Add-In Changes" columns of the spreadsheet to identify the benefits indicated to have corrections in how the benefit data autopopulated. These benefits are also highlighted in yellow to facilitate identification.

Review the "Benefit Information" or "General Information" fields that have changed for these benefits, which are indicated in the "Fields Changed" column (e.g., EHB, State-Required Benefit), and compare them to the auto-populated data in the Benefits Package Worksheet of the Plans and Benefits Template.

Small Group Market A		Benefit Informati	on 🔵					General Information			
Fields Changed	Is this a correction to the data populated by the Add-In file on the state Benefit Package?	Benefits	EHB	State- Required Benefit ▼	Is this Benefit Covered?	Quantitative Limit on Service	Limit Quantity	Limit Unit	Minimum Stay	Exclusions	Benefit Explanati
	No	Primary Care Visit to Treat an Injury or Illness	Yes		Covered						
	No	Specialist Visit	Yes		Covered						
	No	Other Practitioner Office Visit (Nurse, Physician Assistant)	Yes		Covered						
	No	Outpatient Facility Fee (e.g., Ambulatory Surgery Center)	Yes		Covered						
	No	Outpatient Surgery Physician/Surgical Services	Yes		Covered						
	No	Hospice Services	Yes		Covered						
в	Yes	Non-Emergency Care When Traveling Outside the U.S.									

# 2 Select the appropriate scenario based on the corrections identified in the state-specific spreadsheet

Select the appropriate scenario below (A, B, or C) for each benefit indicated to have a correction to the data populated by the Add-In File in the state-specific spreadsheet.

	-	pecific worksheet DOES identify a given benefit as an <i>EHB</i> and/or <i>State Required Benefit</i> and the benefit DOES NOT appear on the enefits Template (" <i>Fields Changed</i> " = "Added Benefit"):
	Cover	If you intend to cover the benefit, add the benefit using the "Add Benefit" button on the menu bar under the Plans and Benefits ribbon, select "Covered" in the "Is this Benefit Covered?" field, and select "Additional EHB" as the "EHB Variance Reason."
Scenario A	Do Not Cover	If you do <u>not</u> intend to cover the benefit and instead want to substitute with actuarially equivalent coverage of another benefit in the same EHB category, add the benefit using the "Add Benefit" button on the menu bar under the Plans & Benefits ribbon, select "Not Covered" in the " <i>Is this Benefit Covered</i> ?" field, and select "Substituted" as the " <i>EHB Variance Reason</i> ." [For the "new" benefit that is taking the place of this one, select "Additional EHB Benefit" as the " <i>EHB Variance Reason</i> ."]
		If you do <u>not</u> intend to cover a pediatric dental benefit and there is a stand-alone dental plan available, add the pediatric dental benefit using the "Add Benefit" button on the menu bar, select "Not Covered," and select "Dental Only Plan Available" as the " <i>EHB</i> Variance Reason."
	-	pecific spreadsheet DOES identify a given benefit as an EHB and/or State Required Benefit and the benefit DOES appear on the Plans Template, but the "Is this Benefit Covered?" field is BLANK:
	Cover	If you intend to cover the benefit, add "Covered" in the "Is this Benefit Covered?" field and select "Additional EHB Benefit" as the "EHB Variance Reason."
Scenario B	Do Not Cover	If you do <u>not</u> intend to cover the benefit and instead intend to substitute with actuarially equivalent coverage of another benefit in the same EHB category, select "Not Covered" in the " <i>Is this Benefit Covered</i> ?" field and select "Substituted" as the <i>EHB Variance</i> <i>Reason</i> . [For the "new" benefit that is taking the place of this one, select "Additional EHB Benefit" as the " <i>EHB Variance Reason</i> ."]
	cover	If you do <u>not</u> intend to cover a pediatric dental benefit and there is a stand-alone dental plan available, select "Not Covered" and select "Dental Only Plan Available" as the " <i>EHB Variance Reason.</i> "
	-	pecific worksheet DOES NOT identify a given benefit as an EHB and/or State Required Benefit and the Plans & Benefits Template ate the benefit as "Covered" in the Is this Benefit Covered? field:
Scenario C	Cover	If you intend to cover the benefit, leave "Covered" in the "Is this Benefit Covered?" field and select "Above EHB" as the "EHB Variance Reason."
	Do Not Cover	If you do <u>not</u> intend to cover the benefit, change "Covered" to "Not Covered" in the "Is this Benefit Covered?" field and select "Above EHB" as the "EHB Variance Reason."

### **3** Populate the "*General Information*" fields when completing the Plans and Benefits Template

Provide benefit coverage information for each set of plans in the Benefits Package Worksheet of the Plan and Benefits Template.

### For benefits indicated to have corrections in how the benefit data auto-populated:

Complete the "Is this Benefit Covered?" and the "EHB Variance Reason" fields according to the scenario selected in Step 2.

#### For benefits NOT indicated to have any corrections:

Complete the "General Information" fields according to Chapter 10: Instructions for the Plans and Benefits Application Section in the QHP Template Instructions, Sections 4.10 and 4.11.
