Hi Mr. Junior,

I noticed a typo that you might want to correct. On the bottom of page two, first paragraph of the [Fraternal Transition Plan](#) you have "t5he" instead of the. I thought I was the only one that made that error 😊 and spell check doesn't catch it.

Thanks for all your hard work on this.

Noreen

I'm on vacation this week, so I am not willing to true-up the list of exhibits, but attached is the case recommendation and the waivers for both parties.

Please send me your comments on these documents. I'll get a hearing on the schedule and true-up the list of exhibits early next week.

Thank you.

Steve, is there any other information that the OCI needs from either NMB or Western in connection with its Form A on the merger? If not, has the OCI determined yet what it's looking at in terms of procedure and timing for the hearing?

Thanks much.
