State of Wisconsin

Commissioner:

In accordance with your instructions, a compliance examination has been made of the
affairs and financial condition of:

PATRIOT GENERAL INSURANCE COMPANY
Stevens Point, Wisconsin

and this report is respectfully submitted.

I. INTRODUCTION

The previous examination of Patriot General Insurance Company (Patriot General or the company) was conducted in 2014 as of December 31, 2013. The current examination covered the intervening period ending December 31, 2018, and included a review of such 2019 and 2020 transactions as deemed necessary to complete the examination.

The examination of the company was conducted concurrently with the examination of affiliated companies domiciled in Illinois, New York, and Texas, with Wisconsin acting in the capacity as the lead state for the coordinated examination. Representatives of Illinois, New York, and Texas participated in the examination, and their work was reviewed and relied on where deemed appropriate.

The examination was conducted using a risk-focused approach in accordance with the National Association of Insurance Commissioners (NAIC) *Financial Condition Examiners Handbook*. This approach sets forth guidance for planning and performing the examination of an insurance company to evaluate the financial condition, assess corporate governance, identify current and prospective risks (including those that might materially affect the financial condition, either currently or prospectively), and evaluate system controls and procedures used to mitigate those risks.

All accounts and activities of the company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with statutory accounting principles, annual statement instructions, and Wisconsin laws and regulations. The examination does not attest to the fair presentation of the financial statements included herein. If during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately at the end of the "Financial Data" section in the area captioned "Reconciliation of Surplus per Examination."

Emphasis was placed on those areas of the company's operations accorded a high priority by the examiner-in-charge when planning the examination. Special attention was given to

the action taken by the company to satisfy the recommendations and comments made in the previous examination report.

The company is annually audited by an independent public accounting firm as prescribed by s. Ins 50.05, Wis. Adm. Code. An integral part of this compliance examination was the review of the independent accountant's work papers. Based on the results of the review of these work papers, alternative or additional examination steps deemed necessary for the completion of this examination were performed. The examination work papers contain documentation concerning the alternative or additional examination steps performed during the examination.

Independent Actuary's Review

An independent actuarial firm was engaged under a contract with the Office of the Commissioner of Insurance. The actuary reviewed the adequacy of the company's loss and loss adjustment expense reserves. The actuary's results were reported to the examiner-in-charge. As deemed appropriate, reference is made in this report to the actuary's conclusion.

II. HISTORY AND PLAN OF OPERATION

Patriot General was incorporated under its present name on January 2, 1968, in accordance with the Massachusetts General Laws, and commenced business on March 28, 1968. Patriot General was formed as a stock company by two affiliated mutual property and casualty insurers, the Middlesex Mutual Insurance Company (Middlesex Mutual) and the Lynn Mutual Insurance Company (Lynn Mutual).

On October 20, 1967, Middlesex Mutual and Lynn Mutual formed the North Bridge Corporation (North Bridge), a downstream holding company. Middlesex Mutual held 80% ownership in the corporation, with the remaining 20% held by Lynn Mutual. In 1968, Middlesex Mutual and Lynn Mutual contributed their respective ownership interests in the newly established Patriot General Insurance Company to North Bridge. This resulted in Middlesex Mutual indirectly owning 80% of North Bridge and Lynn Mutual indirectly owning 20%.

Lynn Mutual was absorbed by Middlesex Mutual through a merger transaction effective December 31, 1970, thereby making Middlesex Mutual the sole owner of North Bridge. On June 11, 1974, with the approval of the Massachusetts Insurance Division, under powers granted to it by legislative act, the Middlesex Mutual Insurance Company was converted to a stock corporation and renamed Middlesex Insurance Company (Middlesex). The Sentry Corporation then purchased 100% of the common stock of Middlesex. The Sentry Corporation was a wholly owned subsidiary of Sentry Insurance a Mutual Company (Sentry Insurance).

Effective August 29, 1977, North Bridge Corporation was merged into Middlesex Insurance Company, thereby transferring direct control of Patriot General to Middlesex. In 1986, ownership of Middlesex was transferred from The Sentry Corporation to Sentry Insurance as part of an effort to separate insurance operations from noninsurance operations. In this way, Patriot General became an indirect wholly owned subsidiary of Sentry Insurance, its current ultimate parent.

On April 28, 1994, Patriot General, together with its immediate parent, Middlesex, redomesticated from Massachusetts to Wisconsin. The articles of incorporation and bylaws of the company were restated effective April 29, 1994.

In 2018, the company wrote direct premium in the following states:

Georgia	\$ 1,557,410	14.8%
Michigan	1,448,114	13.8
Connecticut	1,345,153	12.8

All others	<u>4,908,901</u>	<u>46.6</u>

The company is licensed in the following states: Alabama, Arizona, Connecticut, Florida, Georgia, Illinois, Indiana, Iowa, Maine, Massachusetts, Michigan, Minnesota, Missouri, New York, Ohio, Pennsylvania, Texas, Utah, Vermont, Virginia, Washington, and Wisconsin.

Committees of the Board

The company's bylaws allow for the formation of certain committees by the board of directors. There were no committees appointed by the board at the time of the examination. The committees of the ultimate controlling party, Sentry Insurance, govern the company.

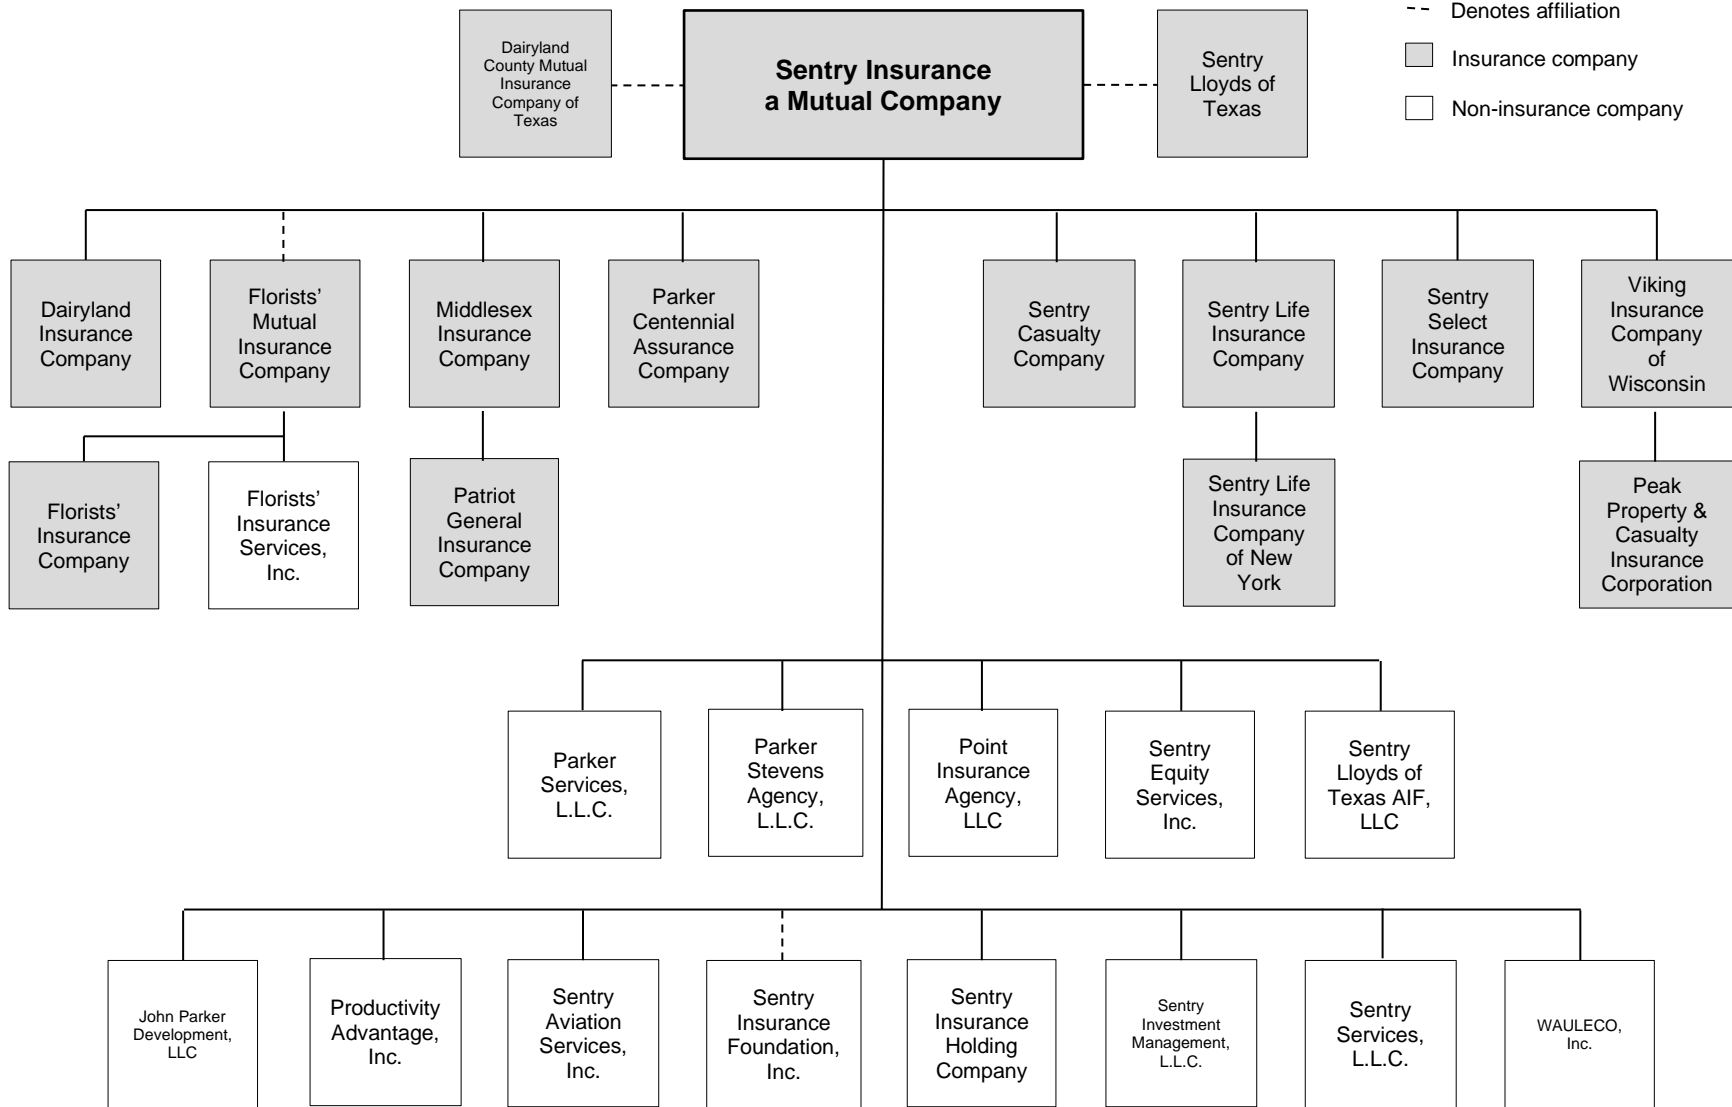

IV. AFFILIATED COMPANIES

Patriot General is a subsidiary of Middlesex, its immediate parent, and Sentry Insurance, the ultimate parent of a holding company system (the Sentry Insurance Group). As of December 31, 2018, the Sentry Insurance Group consisted of 15 insurers and 14 noninsurance entities. Dairyland County Mutual Insurance Company of Texas and Sentry Lloyds of Texas are affiliated through common management, and Florists' Mutual Insurance Company is affiliated through a mutual affiliation agreement. A brief description of the entities that are directly affiliated with Patriot General or have services or administration agreements with it follows the organizational chart. An examination report of Sentry Insurance a Mutual Company completed concurrently with this report includes a description of all affiliates in the holding company.

On July 7, 2019, Sentry Insurance incorporated a new company, Dairyland National Insurance Company (Dairyland National). It is not presented on the organizational chart below due to being formed and operating entirely outside of the examination period.

On November 14, 2019, the Sentry Insurance board passed a resolution to reorganize the Sentry Insurance Group into a mutual holding structure, pursuant to s. 644.07 (2), Wis. Stat. As part of the proposed reorganization, Sentry Insurance will form two new holding company entities: a mutual holding company, Sentry Mutual Holding Company (Sentry Mutual) and a wholly owned subsidiary of Sentry Mutual, Sentry Holdings, Inc. Sentry Insurance would then convert to a stock insurance company under the new name Sentry Insurance Company. The proposed reorganization was subject to the approval of the Office of the Commissioner of Insurance (OCI) and policyholders as required by ss. 644.07 (7) and 644 (8), Wis. Stat.

On November 20, 2019, Sentry Insurance submitted documents to OCI proposing the restructuring of the Sentry Insurance Group as a mutual insurance holding company structure. OCI is reviewing the proposed transaction. The mutual holding structure conversion is not presented on the organizational chart below due to being submitted after the examination period and not yet being approved by OCI.

Insurance Subsidiaries and Affiliates

Sentry Insurance a Mutual Company

Sentry Insurance a Mutual Company (Sentry Insurance) is the parent company of the Sentry Insurance Group and owns all of the issued and outstanding stock of Middlesex. Sentry Insurance is licensed in all 50 states, the District of Columbia, Puerto Rico, and Canada. On its direct business, Sentry Insurance writes business in the National Accounts, Direct Writer, Regional, and Dairyland Auto business units. As of December 31, 2018, the statutory basis audited financial statements of Sentry Insurance reported assets of \$8,669,418,968, liabilities of \$3,252,632,840, surplus of \$5,416,786,128, and net income of \$237,604,036. Sentry Insurance was examined concurrently with Patriot General as of December 31, 2018, and the results of that examination are expressed in a separate report.

Middlesex Insurance Company

Middlesex Insurance Company (Middlesex) is a Wisconsin-domiciled stock property and casualty insurer licensed in 50 states and the District of Columbia. Middlesex was chartered by the Massachusetts Legislature as the Middlesex Mutual Fire Insurance Company on March 31, 1826. Conversion from a mutual to a capital stock company was affected by charter amendment on June 11, 1974, in connection with Sentry Insurance's acquisition of control, at which time it adopted its present name. Sentry Insurance has since held 100% ownership and, while presently its interest is direct, control has at times been indirect. On April 28, 1994, the company redomesticated from Massachusetts to Wisconsin.

Of its direct business, Middlesex writes 42% in auto lines, 38% in workers' compensation, 11% in general and products liability, and 9% in a variety of products relating to the Sentry Insurance Group's Regional Direct Writer business unit. The company also assumes 100% of the business of Patriot General, a wholly owned subsidiary. Middlesex has a 10% participation in the affiliated pooling agreement. As of December 31, 2018, the statutory basis audited financial statements of Middlesex reported assets of \$791,312,519, liabilities of \$548,024,540, surplus of \$243,287,979, and net income of \$10,857,190. Middlesex was

examined concurrently with Patriot General as of December 31, 2018, and the results of that examination are expressed in a separate report.

Noninsurance Subsidiaries and Affiliates

Sentry Investment Management, L.L.C.

Sentry Investment Management, L.L.C. (SIML), a Delaware corporation organized on June 13, 1969, manages the investment portfolios of Sentry Insurance and its affiliates, subject to the direction of their respective boards of directors. In 2007, the corporation changed its status to a limited liability corporation. As of December 31, 2018, SIML's unaudited financial statements reported assets of \$200,945, liabilities of \$59,345, and stockholder's equity of \$141,600.

Operations for 2018 produced no net income or loss. SIML is a wholly owned subsidiary of Sentry Insurance.

Affiliated Agreements

Patriot General has no employees of its own and all of its operations are conducted by employees of its parent organization, Sentry Insurance, in accordance with the business practices and internal controls of that organization. In addition to ongoing common management and control by this upstream affiliate, the company's operations are affected by various written agreements with Sentry Insurance Group affiliates. Reinsurance agreements are described in section V of the report titled "Reinsurance." A summary of the other agreements and undertakings follows.

Investment Advisory Agreement

Effective October 31, 1991, Sentry Insurance and certain named affiliates entered into an investment advisory agreement with Sentry Investment Management, L.L.C. This contract was amended and restated as of January 1, 2008, and as of September 12, 2011. Under this agreement, SIML is employed to manage and direct the investment and reinvestment of the assets of Sentry Insurance and certain named affiliates, subject to the control of those companies' boards of directors. SIML agrees to comply with the companies' articles, bylaws, investment policies, and all applicable federal or state laws. SIML charges the companies a

monthly fee computed as follows, annually not to exceed on average 25 basis points of the cash and invested assets reported on the companies' statutory annual statements:

One-twelfth (1/12) of an amount equal to the sum of (a), (b), and (c)

- (a) Common stocks, excluding those of affiliates:
0.50% (\$5.00 per \$1,000) of market value;
- (b) Bonds and preferred stocks, excluding those of affiliates:
0.15% (\$1.50 per \$1,000) of market value; and
- (c) All other assets, excluding those of affiliates:
0.75% (\$7.50 per \$1,000) of market value

In addition, for any investment advisory services provided by SIML at the request of the companies, SIML is to be reimbursed for actual costs of rendering such services. Settlements are to be made within 60 days of the end of the month.

The contract may be terminated by any of the parties with 60 days' written notice.

Joint Investment Agreement

Effective October 1, 1996, the company entered into an amended and restated joint investment agreement with various affiliates to establish the Sentry Liquid Asset Partnership (SLAP), a joint venture organized pursuant to the Wisconsin Uniform Partnership Act. This agreement has been amended and restated to add or delete companies as needed. Sentry Insurance is designated as the managing partner, though the agreement permits a change by a majority decision of the participants. A participant may withdraw from the joint venture upon the delivery of a written notice to the managing partner. The joint venture shall dissolve at such time as only one participant remains in the joint venture. The terms of this agreement are continuous; however, all parties to the agreement are required to review and negotiate the agreement no less than once every three years.

The business of the joint venture consists of investing and reinvesting funds contributed by the members in short-term obligations of banks, corporations, and the U.S. federal government with a maximum duration of 12 months. It functions in a manner analogous to a short-term bond mutual fund. Investment advisory services are provided by Sentry Investment Management, L.L.C. This office has directed all Wisconsin-domiciled Sentry companies to report their respective balances in SLAP as a one-line entry on Schedule DA – Part 1 (Short-Term

Investments) and Schedule E – Part 2 (Cash Equivalents). In 2018, Patriot General reported no SLAP short-term investments and \$3,268 in SLAP money market mutual funds. Patriot General received \$13,932 interest from the SLAP money market mutual funds.

Tax Allocation Agreement

On February 22, 1983, the Sentry Insurance board of directors adopted a written federal income tax allocation policy for the purpose of filing federal income tax returns on a consolidated basis. This agreement has been amended and restated to add or delete companies as needed. The latest amended and restated agreement is effective March 1, 2009, and was amended to comply with requirements of the New York Circular Letter 1979-33 (relates to tax allocation agreements of New York-domestic insurers) because Sentry Life Insurance Company of New York is a party to this agreement. Under this agreement, Sentry Insurance prepares and files a consolidated U.S. federal income tax return that includes all affiliates of the holding company group. The agreement sets forth the rights and obligations of the parties to the agreement with respect to the determination and settlement of federal income tax liabilities as well as the allocation of Sentry Insurance Group's consolidated U.S. federal income tax liability and tax benefits in accordance with a rational, systematic formula. The agreement provides for computation of tax, settlement of balances between affiliates, tax sharing, filing the return, audits and other adjustments, and other administrative requirements. The agreement calls for the settling of estimated U.S. federal tax payments within 45 days of filing of those payments. The final settlement is due within 45 days of the filing of the consolidated U.S. federal tax return. The agreement has a provision for members entering or departing the group and provides for successors.

General Expense Allocation Agreement

In 1993, the insurance companies of the Sentry Insurance Group entered into a written general expense allocation agreement. The agreement formalized the parties' consent to an accounting allocation process that had been in place since 1982. This agreement has been amended and restated to add or delete companies as needed. Under the agreed procedure, expenses are first grouped and assigned to cost pools, each of which is distinguished by one or

more of four characteristics, including activity, location, profit center, and division. Expenses, once assigned to cost pools, are then allocated to specific insurance products. An expense is not assigned to a specific legal entity until after it is coded to a cost pool and then to a specific product, unless the destination (profit center, line of business, or legal entity) is known when the expense is originally recorded. Allocation at each phase of this process, outlined here in simplified form, is based on specific identification, utilization estimates developed from such criteria as premium or claim volume, time studies, or other rational means of distribution.

Intercompany Settlement Policy

The intercompany settlement policy between Sentry Insurance and its affiliates was last amended and restated effective July 1, 2014. This agreement has been amended and restated several times to add or delete companies as necessary. According to the terms of this agreement, Sentry Insurance's cash management department settles intercompany balances, in SLAP where possible, based on policies and procedures listed in the agreement for monthly and annual settlements. Other settlements under the agreement include reinsurance balances, which are to be settled according to the terms contained in the reinsurance agreements, and income tax related balances, which are to be settled in accordance with the terms outlined in the intercompany tax allocation agreement mentioned previously. There is also a clause that establishes procedures for those parties that do not have adequate funds available to settle intercompany debt.

Premium Collection Agreement

Effective August 23, 2002, the company entered into an amended and restated premium collection agreement with various affiliates. This agreement has been amended and restated to add companies as needed. According to this contract Sentry Insurance is to provide the companies with premium collection services for their nonstandard automobile insurance business, which includes depositing the collected premium in bank accounts of each of the parties to the agreement within two business days of receipt of those premiums. Sentry Insurance does not charge a direct fee for providing such services. Sentry Insurance may

terminate the agreement and the affiliates may withdraw from the agreement upon 30 days' written notice.

Intercompany Servicing Agreement

Sentry Insurance has established an intercompany servicing agreement with Patriot General effective March 1, 1980, which has been amended and restated several times with the latest amendment effective December 31, 2004. Under this agreement Sentry Insurance is to provide essentially all services required for Patriot General's business operations. Expenses relating to the services provided under this agreement are to be allocated to the company by Sentry Insurance through the general expense allocation agreement (described earlier in this section of the report). Services may be terminated by either party by 30 days' written notice or at any time by mutual consent.

V. REINSURANCE

The company's reinsurance portfolio and strategy are described below. The company had numerous active and inactive ceded and assumed reinsurance treaties and arrangements in force at the time of this examination. All contracts reviewed by examiners contained proper insolvency provisions. Certain property and casualty companies in the Sentry Insurance Group participate in a few voluntary and involuntary reinsurance arrangements, serving predominantly the auto and workers' compensation markets, administered by individual states or by national organizations. The largest assuming reinsurance agreements are from the National Workers Compensation Reinsurance Association and Commonwealth Automobile Reinsurers (Massachusetts). The ceding reinsurance agreements are to a variety of state mine subsidence, catastrophic auto, and workers' compensation funds. A review of these arrangements indicated that all contracts have provisions deemed appropriate by the governmental authorities that establish and administer them. Significant treaties and arrangements are summarized as follows:

Affiliated Ceding Contracts

Patriot General has a 100% quota share agreement with its parent, Middlesex.

Type:	100% Quota Share
Scope:	All business directly written by the company after cessions to nonaffiliated reinsurers
Retention:	None
Coverage:	100% of net losses, net loss adjustment expenses, and any or all other expenses incurred by or assessed against the reinsured arising from business covered by this contract
Premium:	100% of all net premiums on business ceded pursuant to this treaty
Ceding commission:	Ceding commissions equal to the actual underwriting expenses
Effective date:	January 1, 1976, amended effective January 1, 2012, and is continuous
Termination:	This treaty may be terminated by either party giving 12 months' prior written notice to any anniversary date.

In effect, the company does not retain any net premiums written, net premiums earned, net losses incurred, loss adjustment expenses, or underwriting expenses under this contract and, therefore, cannot incur an underwriting profit or loss as long as this treaty is in force.

Nonaffiliated Ceding Contracts

The major nonaffiliated ceding contracts including a core reinsurance structure to cover most risk exposures and two quota share agreements to cover specific exposures are described below. A chart included on the next page summarizes the core reinsurance program for the Sentry Insurance Group. (Dollar amounts are in millions.)

Nonaffiliated Assuming Contracts

Sentry Insurance ceased all assumption activities with nonaffiliated companies prior to 1986. There are, however, reinsurance assumed treaties in runoff. Many of these contracts were originally entered into by affiliates and were assumed by the company during its efforts to consolidate its holding company system. The reinsurance assumed treaties in runoff have a broad range of underlying risks, including risks located overseas. Types of contracts include catastrophe, excess of loss, pro rata, and facultative. Assumed reinsurance long-tail exposures tend to be environmental and asbestos, and medium-tail risks such as general liability, auto liability, and worker's compensation. One difficulty encountered with respect to international exposures is that the laws of some of the countries in which risks are located do not allow for complete release of the responsible parties, so claims can remain open for periods much longer

than typical in the United States or can be reopened many years after the settlement is believed to have been final.

The company’s surplus has remained consistent at approximately \$25 million during the examination period. Gross premium fell 58% during the examination period as the company has intentionally been shifting Dairyland Auto and National Accounts business towards Sentry Insurance.

VIII. CONCLUSION

Patriot General's surplus has remained consistent at approximately \$25 million during the five-year examination period. Net income reported by Patriot General in each of the five years under examination was comprised mainly of investment income.

The current examination resulted in no recommendations and no reclassifications of account balances or adjustments to surplus as reported by the company in its year-end 2018 statutory financial statements.

XI. SUBSEQUENT EVENTS

On March 11, 2020, the World Health Organization (WHO) declared the spreading coronavirus (COVID-19) outbreak a pandemic. On March 13, 2020, U.S. President Donald J. Trump declared the coronavirus pandemic a national emergency in the United States. The epidemiological threat posed by COVID-19 is having disruptive effects on the economy, including disruption of the global supply of goods, reduction in the demand for labor, and reduction in the demand for U.S. products and services, resulting in a sharp increase in unemployment. The economic disruptions caused by COVID-19 and the increased uncertainty about the magnitude of the economic slowdown has also caused extreme volatility in the financial markets.

The full effect of COVID-19 on the U.S. and global insurance and reinsurance industry is still unknown at the time of releasing this report. This office is expecting the COVID-19 outbreak to impact a wide range of insurance products, resulting in coverage disputes, reduced liquidity of insurers, and other areas of operations of insurers. OCI and all insurance regulators with the assistance of the National Association of Insurance Commissioners are monitoring the situation through a coordinated effort and will continue to assess the impacts of the pandemic on U.S. insurers. OCI has been in communication with the Sentry Insurance Group regarding the impact of COVID-19 on business operations and the financial position of Sentry Insurance, and no immediate action was deemed necessary at that time of this report.
