Steve,

Thanks for your patience as the various parties have worked through the Case Recommendation Memo. Attached is a version with the collected comments of Quartz and AAH on it.

As I previously indicated, some of the content of this memorandum reflects portions of the Exchange Agreement and other agreements between the parties that have been filed with redactions to preserve the confidentiality of competitively sensitive material. Once the final form of memorandum is prepared, we request the opportunity to review and propose redactions before it is posted to OCI's website.

Please let me know if you have any questions, or want to discuss any of these proposed edits.

Have a great weekend,

Morgan
