If any legal action is commenced against any person or entity identified in this paragraph, whether against that person or entity personally or in an official capacity, alleging property damage, property loss, personal injury or other civil liability caused by or resulting from any alleged act, error, or omission arising out of or by reason of their duties or employment in connection with this rehabilitation, that person or entity shall be indemnified from the assets of WRC and 1st Auto for all expenses, attorney's fees, judgments, settlements, decrees, or amounts due, owing, or paid in satisfaction of or incurred in the defense of such legal action, unless it is determined upon a final adjudication on the merits that the alleged act, error, or omission did not arise out of or by reason of the person's or entity's duties or employment for the rehabilitation of WRC and 1st Auto, or was caused by intentional misconduct.
