

## **\*\*BILLING MOVED TO OCTOBER 2023\*\***

IPFCF has moved the Fiscal Year 2024 billing schedule to October 2023. This will allow us to provide accurate, up-to-date, and easy to navigate billing information.

You can expect to receive electronic correspondence on 10/1/23, stating the invoices are available on the Provider Portal under the billing tab. Assessment fees are due 30 days from the date invoices are sent.

Financial noncompliance letters are sent on the following timetable:

- Invoices are sent via electronic correspondence allowing 30 days for payment to reach the Fund.
- A noncompliance letter is sent via electronic correspondence on the first day after payment is due (day 31).
- A certified letter is sent via mail and electronic correspondence 15 days later if payment is not received (day 45).
- A letter is sent via electronic correspondence to DSPS, giving notice of noncompliance, if payment is not received within 30 days of the certified letter.

We appreciate your patience and understanding as we migrate to the new database management system.
