

## Update to a Cybersecurity Event Report

Under the <u>Wis. Stat. § 601.954</u>, licensees are required to report Cybersecurity Events to the Office of the Commissioner of Insurance (OCI). Licensees are expected to provide as much information as they have available within three business days from the discovery of a cybersecurity event. After receipt of the initial report, licensees are required to submit additional updates as more information becomes available.

Licensees should combine this form with all other necessary materials into a single PDF document to be attached and submitted via email to <u>OCICyberReport@Wisconsin.gov</u>. Subject line of the email should include the Cybersecurity Event ID that was assigned by OCI.
