#### **Rule governing privacy of Consumer Financial and Health Information**

This rule is based on the National Association of Insurance Commissioners (“NAIC”) model Privacy of Consumer Financial and Health Information Regulation. That model was prepared by the NAIC to meet the requirements of Title V of the federal Gramm-Leach-Bliley Act (“GLB”). The objective of the NAIC in preparing that model was to achieve uniformity with the federal privacy rules for financial information.

The NAIC model addresses nonpublic personal health information more comprehensively, and with greater protection, than provided under the GLB federal privacy rules. The NAIC concluded that the insurance industry has unique access to nonpublic personal health information such that greater protection than provided under the federal privacy rules was warranted. This rule incorporates the NAIC provisions concerning nonpublic personal health information, but applies those provisions only to the extent that state law does not already provide protection for health information. State law currently includes provisions that govern patient health care records obtained from providers and provisions that govern information insurers obtain directly from individuals in connection with personal lines insurance (for example life, home and automobile and health insurance). Accordingly, the NAIC (and this rule’s) provisions governing nonpublic personal health information primarily apply to information an insurer obtains from an individual in connection with administration of commercial property and casualty insurance.

#### **1. Protection of Nonpublic Personal Financial Information:**

The financial information portion of the proposed rule tracks the GLB privacy regulations that were promulgated by the federal banking agencies in May 2000. Licensees (all individuals or entities required to obtain a license under the Wisconsin

insurance code, including agents, brokers, third party administrators and insurers) must provide notices describing their privacy policies to their consumers and customers, and provide consumers and customers with the opportunity to prohibit the sharing of nonpublic personal financial information with nonaffiliated third parties (“opt out”). Agents may rely on compliance by the insurers they represent. Disclosure among affiliated entities is not restricted. “Nonpublic personal financial information” includes any nonpublic information obtained by a licensee from a consumer, not just “financial” information. However it does not include health information because health information is subject to separate protections. In addition, the rule makes it clear that the GLB provisions are effective in this state on and after the effective date for the rule.

The proposed rule includes certain exceptions to the general prohibition on sharing information with non-affiliates without going through the privacy notice and opt out procedures. These exceptions are intended to allow sharing with non-affiliates for normal business reasons contemplated in the transaction. The proposed rule permits sharing nonpublic personal financial information with nonaffiliated third parties if the licensee gives initial notice of its privacy policies to the consumer (or in the case of a group or workers compensation policy, to the policyholder) and the information is shared under an agreement for the third party to provide services or under a joint marketing agreement. The proposed rule also permits sharing nonpublic personal financial information with non-affiliates to accomplish the purpose of processing and servicing a consumer transaction and for certain enumerated purposes, including purposes authorized by law, to protect against fraud or breach of confidentiality, to provide information to rate advisory, accreditation, and rating organizations, to attorneys and accountants, to regulators, in connection with a merger or sale of a business, and to respond to a subpoena or court ordered disclosure.

The restrictions on sharing information with non-affiliates apply to information obtained from individuals who are not customers of the licensee but who provide information to obtain a benefit under a policy or as claimant. However licensees are not required to provide privacy notices to those consumers or follow the opt out procedure unless they share the information other than as permitted under the rule.

The rule includes provisions that prohibit the sharing of account access information. The rule also includes a provision that prohibits unfair discrimination based on refusal to give consent to the sharing of information.

## **2. Protection of Nonpublic Personal Health Information:**

The rule includes separate provisions governing health information that is obtained by an insurer from an individual. Current law already protects health information under most circumstances so the rule applies to the few situations not already addressed, primarily health information obtained in the course of administration of a property and casualty commercial policy. Section 610.70, Stats., already protects personal medical information that is obtained by an insurer in connection with administration of a personal lines policies (life, auto, homeowners and health). The rule makes it clear that s. 610.70, Stats., applies to personal medical information obtained in connection with those types of policies. . Under the rule (and current law) an insurer is responsible for ensuring that its agents comply with s. 610.70, Stats. The rule's health information provisions do not apply to patient health care records obtained from providers because those records are already subject to restrictions under s. 146.82, Stats.

Those licensees not governed by s. 610.70, Stats., primarily commercial property and casualty insurers, brokers and third party administrators, are subject to provisions of the rule that prohibit the licensee from sharing health information with any person, affiliated or non-affiliated, unless they obtain affirmative consent to the sharing of health information with any person. The rule includes exceptions to this restriction intended to allow the licensee to disclose the health care information consistent with the purpose for which it was obtained. Some of these include claims administration; claims adjustment and management; detection, investigation or reporting of actual or potential fraud, misrepresentation or criminal activity; underwriting; policy placement or issuance; loss control; rate-making and guaranty fund functions; reinsurance and excess loss insurance; risk management; case management; disease management; quality assurance; quality improvement; performance evaluation; provider credentialing verification; utilization review; peer review activities; and actuarial, scientific, medical or public policy research. Additional insurance functions may be added with the approval of the commissioner to the extent they are necessary for appropriate performance of insurance functions and are fair and reasonable to the

interest of consumers. An insurer may apply for, and receive approval for, an additional function if the commissioner determines it is fair and reasonable to the interests of consumers.

The health information provisions of the rule do not apply to licensees who are in compliance with the health information privacy regulations promulgated by the U.S. Department of Health and Human Services (“DHHS”) pursuant to the Health Information Portability and Accountability Act (“HIPAA”), including if the licensee complies with the regulation before its applicability date. The DHHS regulations have been promulgated but will not apply to health information for at least two years. The DHSS regulations apply to “health plans.” That term is defined to include health insurers. Accordingly it is likely this exception will have limited, if any, application. Health insurers are subject to s. 610.70, Stats., not the health information provisions of this rule, and must continue to comply with s. 610.70, Stats., regardless of whether they comply with the DHSS regulation.

This rule is effective on the first day of the first month commencing after the date of publication. However, licensees are required to commence providing initial notice of their privacy policies for renewing policies on and after the first day of the fourth month commencing after publication.

A licensee does not establish a customer relationship due to issuance of a binder of coverage until the policy is issued, if the licensee allows the consumer to request delivery of the initial notice required under sub. (1) (a) and the licensee delivers the initial notice within a reasonable time after the licensee receives such a request.
2. Agrees to obtain financial, economic or investment advisory services relating to insurance products or services for a fee from the licensee.

- (4) EXISTING CUSTOMERS. When an existing customer obtains a new insurance product or service from a licensee that is to be used primarily for personal, family or household purposes, the licensee satisfies the initial notice requirements of sub. (1) if any of the following conditions are met:

- (a) The licensee may provide a revised policy notice, under s. Ins 25.20, that covers the customer's new insurance product or service.
- (b) If the initial, revised or annual notice that the licensee most recently provided to that customer was accurate with respect to the new insurance product or service, the licensee does not need to provide a new privacy notice under sub. (1).

(5) EXCEPTIONS TO ALLOW SUBSEQUENT DELIVERY OF NOTICE.

- (a) A licensee may provide the initial notice required by sub. (1) (a) within a reasonable time after the licensee establishes a customer relationship if any of the following conditions exist:

1. Establishing the customer relationship is not at the customer's election.
2. Providing notice not later than when the licensee establishes a customer relationship would substantially delay the customer's transaction and the customer agrees to receive the notice at a later time.

- (b) The following are examples of when exceptions may or may not apply:

1. Establishing a customer relationship is not at the customer's election if a licensee acquires or is assigned a customer's policy from another financial institution or residual market mechanism and the customer does not have a choice about the licensee's acquisition or assignment.
2. Providing notice not later than when a licensee establishes a customer relationship would substantially delay the customer's transaction when the licensee and the

individual agree over the telephone to enter into a customer relationship involving prompt delivery of the insurance product or service.

3. Providing notice not later than when a licensee establishes a customer relationship would not substantially delay the customer's transaction when the relationship is initiated in person at the licensee's office or through other means by which the customer may view the notice, such as on a web site.

- (6) DELIVERY. When a licensee is required to deliver an initial privacy notice by this section, the licensee shall deliver it according to s. Ins 25.25. If the licensee uses a short-form initial notice for non-customers according to s. Ins 25.15 (4), the licensee may deliver its privacy notice according to s. Ins 25.15 (4) (c).

**Ins 25.13. Annual privacy notice to customers required.** (1)(a) *General rule.* A licensee shall provide a clear and conspicuous notice to customers that accurately reflects its privacy policies and practices with regard to nonpublic personal financial information not less than annually during the continuation of the customer relationship. Annually means at least once in any period of twelve consecutive months during which that relationship exists. A licensee may define the twelve consecutive-month period, but the licensee shall apply it to the customer on a consistent basis.

- (b) *Example.* A licensee provides a notice annually if it defines the twelve consecutive-month period as a calendar year and provides the annual notice to the customer once in each calendar year following the calendar year in which the licensee provided the initial notice. For example, if a customer opens an account on any day of year 1, the licensee shall provide an annual notice to that customer by December 31 of year 2.

- (2) (a) *Termination of customer relationship.* A licensee is not required to provide an annual notice to a former customer. A former

customer is an individual with whom a licensee no longer has a continuing relationship.

(a) *Examples.* The following are examples of the termination of a customer relationship:

1. A licensee no longer has a continuing relationship with an individual if the individual no longer is a current policyholder of an insurance product or no longer obtains insurance services with or through the licensee.
2. A licensee no longer has a continuing relationship with an individual if the individual's policy is lapsed, expired or otherwise inactive or dormant under the licensee's business practices, and the licensee has not communicated with the customer about the relationship for a period of twelve consecutive months, other than to provide annual privacy notices, material required by law or regulation, or promotional materials.
3. For the purposes of this chapter, a licensee no longer has a continuing relationship with an individual if the individual's last known address according to the licensee's records is deemed invalid. An address of record is deemed invalid if mail sent to that address by the licensee has been returned by the postal authorities as undeliverable and if subsequent attempts by the licensee to obtain a current valid address for the individual have been unsuccessful.
4. A licensee no longer has a continuing relationship with a customer in the case of providing real estate settlement services, at the time the customer completes execution of all documents related to the real estate closing, payment for those services has been received, or the licensee has completed all of its responsibilities with respect to the

settlement, including filing documents on the public record, whichever is later.

- (4) **DELIVERY.** When a licensee is required by this section to deliver an annual privacy notice, the licensee shall deliver it according to s. Ins 25.25.

**Ins 25.15 Information to be included in privacy notices.** (1) **GENERAL RULE.** The initial, annual and revised privacy notices that a licensee provides under s. Ins 25.10, 25.13 and 25.20 shall include all of the following items of information, in addition to any other information the licensee wishes to provide, that applies to the licensee and to the consumers to whom the licensee sends its privacy notice:

- (a) The categories of nonpublic personal financial information that the licensee collects.

Note: See sample clause A-1 in Appendix A

- (b) The categories of nonpublic personal financial information that the licensee discloses.

Note: See sample clauses A-2 and A-3 in Appendix A

- (c) The categories of affiliates and nonaffiliated third parties to which the licensee discloses nonpublic personal financial information, other than those parties to whom the licensee discloses information under s. Ins 25.55 and 25.60.

Note: See sample clauses A-2, A-3 and A-4 in Appendix A

- (d) The categories of nonpublic personal financial information about the licensee's former customers that the licensee discloses and the categories of affiliates and nonaffiliated third parties to whom the licensee discloses nonpublic personal financial information about the licensee's former customers, other than those parties to whom the licensee discloses information under s. Ins 25.55 and 25.60.

Note: See sample clauses A-2 and A-3 in Appendix A

- (e) If a licensee discloses nonpublic personal financial information to a nonaffiliated third party under s. Ins 25.50 (and no other exception in s. Ins 25.55 and 25.60 applies to that disclosure), a separate description of the categories of information the licensee discloses and the categories of third parties with whom the licensee has contracted.

Note: See sample clauses A-5 in Appendix A

- (f) An explanation of the consumer's right under s. Ins 25.30 (1) to opt out of the disclosure of nonpublic personal financial information to nonaffiliated third parties, including the methods by which the consumer may exercise that right at that time.

Note: See sample clauses A-6 in Appendix A

- (g) Any disclosures that the licensee makes under Section 603(d)(2)(A)(iii) of the federal Fair Credit Reporting Act (15 U.S.C. 1681a(d)(2)(A)(iii)) (that is, notices regarding the ability to opt out of disclosures of information among affiliates).
- (h) The licensee's policies and practices with respect to protecting the confidentiality and security of nonpublic personal financial information.

Note: See sample clauses A-7 in Appendix A

- (i) Any disclosure that the licensee makes under sub. (2).
- (2) DESCRIPTION OF PARTIES SUBJECT TO EXCEPTIONS. If a licensee discloses nonpublic personal financial information as authorized under s. Ins 25.55 and 25.60, the licensee is not required to list those exceptions in the initial or annual privacy notices required by s. Ins

25.10 and 25.13. When describing the categories of parties to whom disclosure is made, the licensee is required to state only that it makes disclosures to other affiliated or nonaffiliated third parties, as applicable, as permitted by law.

(3) EXAMPLES.

(a) *Categories of nonpublic personal financial information that the licensee collects.* A licensee satisfies the requirement to categorize the nonpublic personal financial information it collects if the licensee categorizes it according to all of the following sources of the information:

1. Information from the consumer.
2. Information about the consumer's transactions with the licensee or its affiliates.
3. Information about the consumer's transactions with nonaffiliated third parties.
4. Information from a consumer reporting agency.

(b) *Categories of nonpublic personal financial information a licensee discloses.*

1. A licensee satisfies the requirement to categorize nonpublic personal financial information it discloses if the licensee categorizes the information according to source, as described in par. (a), as applicable, and provides at least one example, and additional examples as are reasonably appropriate, to illustrate the types of information in each category. Examples may include any of the following:

- a. Information from the consumer, including application information, such as assets and income

and identifying information, such as name, address and social security number.

- b. Transaction information, such as information about balances, payment history and parties to the transaction.
- c. Information from consumer reports, such as a consumer's creditworthiness and credit history.

2. A licensee does not adequately categorize the information that it discloses if the licensee uses only general terms, such as transaction information about the consumer.

3. If a licensee reserves the right to disclose all of the nonpublic personal financial information about consumers that it collects, the licensee may simply state that fact without describing the categories or examples of nonpublic personal financial information that the licensee discloses.

(c) *Categories of affiliates and nonaffiliated third parties to whom the licensee discloses.*

1. A licensee satisfies the requirement to categorize the affiliates and nonaffiliated third parties to which the licensee discloses nonpublic personal financial information about consumers if the licensee identifies the types of businesses in which they engage.

2. Types of businesses may be described by general terms only if the licensee uses at least one example, and additional examples as are reasonably appropriate, to illustrate the significant lines of business. For example, a licensee may use the term financial products or services if it includes appropriate examples of significant lines of businesses,

such as life insurer, automobile insurer, consumer banking or securities brokerage.

3. A licensee also may categorize the affiliates and nonaffiliated third parties to which it discloses nonpublic personal financial information about consumers using more detailed categories than those described in this paragraph.

(d) *Disclosures under exception for service providers and joint marketers.* If a licensee discloses nonpublic personal financial information under the exception in s. Ins 25.50 to a nonaffiliated third party to market products or services that it offers alone or jointly with another financial institution, the licensee satisfies the disclosure requirement of sub (1) (e) if it does all of the following:

1. Lists the categories of nonpublic personal financial information it discloses, using the same categories and examples the licensee used to meet the requirements of sub (1) (b) , as applicable.
2. States whether the third party is any of the following:
  - a. A service provider that performs marketing services on the licensee's behalf or on behalf of the licensee and another financial institution.
  - b. A financial institution with whom the licensee has a joint marketing agreement.

(e) *Simplified notices.* If a licensee does not disclose, and does not wish to reserve the right to disclose, nonpublic personal financial information about customers or former customers to affiliates or nonaffiliated third parties except as authorized under s. Ins 25.55 and 25.60, the licensee may simply state that fact, in addition to the information it shall provide under sub. (1) (a), (h), and (i) and (2).

(f) *Confidentiality and security.* A licensee describes its policies and practices with respect to protecting the confidentiality and security of nonpublic personal financial information if it does all of the following:

1. Describes in general terms who is authorized to have access to the information.
2. States whether the licensee has security practices and procedures in place to ensure the confidentiality of the information in accordance with the licensee's policy. The licensee is not required to describe technical information about the safeguards that it uses.

(4) **SHORT-FORM INITIAL NOTICE WITH OPT-OUT NOTICE FOR NON-CUSTOMERS.**

(a) A licensee may satisfy the initial notice requirements in ss. Ins 25.10 (1) (b) and 25.17 (3) for a consumer who is not a customer by providing a short-form initial notice at the same time as the licensee delivers an opt out notice as required in s. Ins 25.17.

(b) A short-form initial notice shall comply with all of the following:

1. It shall be clear and conspicuous.
2. It shall state that the licensee's privacy notice is available upon request.
3. It shall explain a reasonable means by which the consumer may obtain that notice.

(c) The licensee shall deliver its short-form initial notice according to s. Ins 25.25. The licensee is not required to deliver its privacy notice with its short-form initial notice. The licensee instead may

simply provide the consumer a reasonable means to obtain its privacy notice. If a consumer who receives the licensee's short-form notice requests the licensee's privacy notice, the licensee shall deliver its privacy notice according to s. Ins 25.25.

(d) *Examples of obtaining privacy notice.* The licensee provides a reasonable means by which a consumer may obtain a copy of its privacy notice if the licensee does any of the following:

1. Provides a toll-free telephone number that the consumer may call to request the notice.
2. For a consumer who conducts business in person at the licensee's office, maintains copies of the notice on hand that the licensee provides to the consumer immediately upon request.

(5) **FUTURE DISCLOSURES.** The licensee's notice may include any of the following:

- (a) Categories of nonpublic personal financial information that the licensee reserves the right to disclose in the future, but does not currently disclose.
- (b) Categories of affiliates or nonaffiliated third parties to whom the licensee reserves the right in the future to disclose, but to whom the licensee does not currently disclose, nonpublic personal financial information.

(6) **SAMPLE CLAUSES.** Sample clauses illustrating some of the notice content required by this section are included in Appendix A of this chapter.

**Ins 25.17 Form of opt out notice to consumers and opt out methods. (1)(a)**

*Form of opt out notice.* If a licensee is required to provide an opt out notice under s. Ins 25.30 (1), it shall provide a clear and conspicuous notice to each of its consumers

that accurately explains the right to opt out under that section. The notice shall include all of the following:

1. That the licensee discloses or reserves the right to disclose nonpublic personal financial information about its consumer to a nonaffiliated third party.
2. That the consumer has the right to opt out of that disclosure.
3. A reasonable means by which the consumer may exercise the opt out right.

(b) *Examples.*

1. A licensee provides notice that the consumer can opt out of the disclosure of nonpublic personal financial information to a nonaffiliated third party in compliance with this section if the licensee does all of the following:
  - a. Identifies all of the categories of nonpublic personal financial information that it discloses or reserves the right to disclose, and all of the categories of nonaffiliated third parties to which the licensee discloses the information, as described in s. Ins 25.15 (3) (b) and (c), and states that the consumer can opt out of the disclosure of that information.
  - b. Identifies the insurance products or services that the consumer obtains from the licensee, either singly or jointly, to which the opt out direction would apply.
2. A licensee provides a reasonable means to exercise an opt out right if it does any of the following:

- a. Designates check-off boxes in a prominent position on the relevant forms with the opt out notice.
  - b. Includes a reply form together with the opt out notice.
  - c. Provides an electronic means to opt out, such as a form that can be sent via electronic mail or a process at the licensee's web site, if the consumer agrees to the electronic delivery of information.
  - d. Provides a toll-free telephone number that consumers may call to opt out.
3. A licensee does not provide a reasonable means of opting out if any of the following exist:
- a. The only means of opting out is for the consumer to write his or her own letter to exercise that opt out right.
  - b. The only means of opting out as described in any notice subsequent to the initial notice is to use a check-off box that the licensee provided with the initial notice but did not include with the subsequent notice.
4. A licensee may require each consumer to opt out through a specific means, as long as that means is reasonable for that consumer.

(2) SAME FORM AS INITIAL NOTICE PERMITTED. A licensee may provide the opt out notice together with or on the same written or electronic form as the initial notice the licensee provides in accordance with s. Ins 25.10.

- (3) **INITIAL NOTICE REQUIRED WHEN OPT OUT NOTICE DELIVERED SUBSEQUENT TO INITIAL NOTICE.** If a licensee provides the opt out notice later than required for the initial notice in accordance with s. Ins 25.10, the licensee shall also include a copy of the initial notice with the opt out notice in writing or, if the consumer agrees, electronically.
- (4) **JOINT RELATIONSHIPS.**
- (a) If two or more consumers jointly obtain an insurance product or service from a licensee, the licensee may provide a single opt out notice. The licensee's opt out notice shall explain how the licensee will treat an opt out direction by a joint consumer, as explained in par. (e).
- (b) Any of the joint consumers may exercise the right to opt out. The licensee may do either of the following:
1. Treat an opt out direction by a joint consumer as applying to all of the associated joint consumers.
  2. Permit each joint consumer to opt out separately, subject to par. (c).
- (c) If a licensee permits each joint consumer to opt out separately, the licensee shall permit one of the joint consumers to opt out on behalf of all of the joint consumers.
- (d) A licensee may not require all joint consumers to opt out before it implements any opt out direction.
- (e) *Example.* If John and Mary are both named policyholders on a homeowner's insurance policy issued by a licensee and the licensee sends policy statements to John's address, the licensee may do any of the following, but it shall explain in its opt out notice which opt out policy the licensee will follow:

1. Send a single opt out notice to John's address, but the licensee shall accept an opt out direction from either John or Mary.
  2. Treat an opt out direction by either John or Mary as applying to the entire policy. If the licensee does so and John opts out, the licensee may not require Mary to opt out as well before implementing John's opt out direction.
  3. If the licensee permits John and Mary to make different opt out directions, the licensee shall do all of the following:
    - a. It shall permit John and Mary to opt out for each other.
    - b. If both opt out, the licensee shall permit both of them to notify it in a single response, such as on a form or through a telephone call.
    - c. If John opts out and Mary does not, the licensee may only disclose nonpublic personal financial information about Mary, but not about John and not about John and Mary jointly.
- (5) **TIME TO COMPLY WITH OPT OUT.** A licensee shall comply with a consumer's opt out direction as soon as reasonably practicable after the licensee receives it.
- (6) **CONTINUING RIGHT TO OPT OUT.** A consumer may exercise the right to opt out at any time.
- (7) **DURATION OF THE CONSUMER'S OPT OUT DIRECTION.**
- (a) A consumer's direction to opt out under this section is effective until the consumer revokes it in writing or, if the consumer agrees, electronically.

- (b) When a customer relationship terminates, the customer's opt out direction continues to apply to the nonpublic personal financial information that the licensee collected during or related to that relationship. If the individual subsequently establishes a new customer relationship with the licensee, the opt out direction that applied to the former relationship does not apply to the new relationship.
- (8) DELIVERY. When a licensee is required to deliver an opt out notice by this section, the licensee shall deliver it according to s. Ins 25.25.

**Ins 25.20 Revised privacy notices.** (1) GENERAL RULE. Except as otherwise authorized in this chapter, a licensee shall not, directly or through an affiliate, disclose any nonpublic personal financial information about a consumer to a nonaffiliated third party other than as described in the initial notice that the licensee provided to that consumer under s. Ins 25.10, unless all of the following have occurred:

- (a) The licensee has provided to the consumer a clear and conspicuous revised notice that accurately describes its policies and practices.
  - (b) The licensee has provided to the consumer a new opt out notice.
  - (c) The licensee has given the consumer a reasonable opportunity, before the licensee discloses the information to the nonaffiliated third party, to opt out of the disclosure.
  - (d) The consumer does not opt out.
- (2) EXAMPLES.
- (a) Except as otherwise permitted by ss. Ins 25.50, 25.55 and 25.60, a licensee shall provide a revised notice before it does any of the following:

1. Discloses a new category of nonpublic personal financial information to any nonaffiliated third party.
2. Discloses nonpublic personal financial information to a new category of nonaffiliated third party.
3. Discloses nonpublic personal financial information about a former customer to a nonaffiliated third party, if that former customer has not had the opportunity to exercise any opt out right regarding that disclosure.

(b) A revised notice is not required if the licensee discloses nonpublic personal financial information to a new nonaffiliated third party that the licensee adequately described in its prior notice.

- (3) DELIVERY. When a licensee is required to deliver a revised privacy notice by this section, the licensee shall deliver it according to s. Ins 25.25.

**Ins 25.25 Delivery.** (1) HOW TO PROVIDE NOTICES. A licensee shall provide any notices that this chapter requires so that each consumer can reasonably be expected to receive actual notice in writing or, if the consumer agrees, electronically.

(2) (a) *Examples of reasonable expectation of actual notice.* A licensee may reasonably expect that a consumer will receive actual notice of its privacy policies and practices if the licensee does any of the following:

1. Hand-delivers a printed copy of the notice to the consumer.
2. Mails a printed copy of the notice to the last known address of the consumer separately, or in a policy, billing or other written communication.
3. For a consumer who conducts transactions electronically, posts the notice on the electronic site and requires the

consumer to acknowledge receipt of the notice as a necessary step to obtaining a particular insurance product or service.

4. For an isolated transaction with a consumer, such as the licensee providing an insurance quote or selling the consumer travel insurance, posts the notice and requires the consumer to acknowledge receipt of the notice as a necessary step to obtaining the particular insurance product or service.

(b) *Examples of unreasonable expectation of actual notice.* A licensee may not, however, reasonably expect that a consumer will receive actual notice of its privacy policies and practices if it does any of the following:

1. Only posts a sign in its office or generally publishes advertisements of its privacy policies and practices.
2. Sends the notice via electronic mail to a consumer who does not obtain an insurance product or service from the licensee electronically.

(3) ANNUAL NOTICES ONLY. A licensee may reasonably expect that a customer will receive actual notice of the licensee's annual privacy notice if it does any of the following:

- (a) The customer uses the licensee's web site to access insurance products and services electronically and agrees to receive notices at the web site and the licensee posts its current privacy notice continuously in a clear and conspicuous manner on the web site.
- (b) The customer has requested that the licensee refrain from sending any information regarding the customer relationship, the licensee maintains a record of the request and the licensee's current privacy notice remains available to the customer upon request.

- (4) **ORAL DESCRIPTION OF NOTICE INSUFFICIENT.** A licensee may not provide any notice required by this chapter solely by orally explaining the notice, either in person or over the telephone.
- (5) **RETENTION OR ACCESSIBILITY OF NOTICES FOR CUSTOMERS.**
- (a) For customers only, a licensee shall provide the initial notice required by s. Ins 25.10 (1) (a), the annual notice required by s. Ins 25.13 (1), and the revised notice required by s. Ins 25.20 so that the customer can retain them or obtain them later in writing or, if the customer agrees, electronically.
- (b) *Examples of retention or accessibility.* A licensee provides a privacy notice to the customer so that the customer can retain it or obtain it later if the licensee does any of the following:
1. Hand-delivers a printed copy of the notice to the customer.
  2. Mails a printed copy of the notice to the last known address of the customer.
  3. Makes its current privacy notice available on a web site or a link to another web site for the customer who obtains an insurance product or service electronically and agrees to receive the notice at the web site.
- (6) **JOINT NOTICE WITH OTHER FINANCIAL INSTITUTIONS.** A licensee may provide a joint notice from the licensee and one or more of its affiliates or other financial institutions, as identified in the notice, as long as the notice is accurate with respect to the licensee and the other institutions. A licensee also may provide a notice on behalf of another financial institution.
- (7) **JOINT RELATIONSHIPS.** If two or more consumers jointly obtain an insurance product or service from a licensee, the licensee may satisfy the

initial, annual and revised notice requirements of s Ins 25.10 (1), 25.13 (1) and 25.20 (1), respectively, by providing one notice to those consumers jointly.

- (8) **MULTIPLE INSURANCE PRODUCTS OR SERVICES.** If a consumer or two or more consumers jointly seek to obtain or obtain multiple insurance products or services from a licensee or its affiliates, the licensee may satisfy the initial, annual and revised notice requirements of s Ins 25.10 (1), 25.13 (1) and 25.20 (1), respectively, for the licensee and its affiliates by providing one notice to those consumers.

### SUBCHAPTER III-LIMITS ON DISCLOSURES OF FINANCIAL INFORMATION

**Ins 25.30 Limits on disclosure of nonpublic personal financial information to nonaffiliated third parties.** (1) (a) *Conditions for disclosure.* Except as otherwise authorized in this chapter, a licensee may not, directly or through any affiliate, disclose any nonpublic personal financial information about a consumer to a nonaffiliated third party unless all of the following have occurred:

1. The licensee has provided to the consumer an initial notice as required under s. Ins 25.10.
2. The licensee has provided to the consumer an opt out notice as required in s. Ins 25.17.
3. The licensee has given the consumer a reasonable opportunity, before it discloses the information to the nonaffiliated third party, to opt out of the disclosure.
4. The consumer does not opt out.

(b) *Opt out definition.* Opt out means a direction by the consumer that the licensee not disclose nonpublic personal financial information about that consumer to a nonaffiliated third party, other than as permitted by ss. Ins 25.50, 25.55 and 25.60.

(c) *Examples of reasonable opportunity to opt out.* A licensee provides a consumer with a reasonable opportunity to opt out if it does any of the following:

1. 'By mail.' The licensee mails the notices required in par. (a) to the consumer and allows the consumer to opt out by mailing a form, calling a toll-free telephone number or any other reasonable means within thirty days from the date the licensee mailed the notices.
2. 'By electronic means.' A customer purchases an insurance service or product from a licensee and agrees to receive the notices required in par. (a) electronically, and the licensee allows the customer to opt out by any reasonable means within 30 days after the date that the customer acknowledges receipt of the notices in conjunction the transaction.
3. 'Isolated transaction with consumer.' For an isolated transaction such as providing the consumer with an insurance quote, a licensee provides the consumer with a reasonable opportunity to opt out if the licensee provides the notices required in par. (a) at the time of the transaction and requests that the consumer decide, as a necessary part of the transaction, whether to opt out before completing the transaction.

(2) APPLICATION OF OPT OUT TO ALL CONSUMERS AND ALL NONPUBLIC PERSONAL FINANCIAL INFORMATION.

- (a) A licensee shall comply with this section, regardless of whether the licensee and the consumer have established a customer relationship.
- (b) Unless a licensee complies with this section, the licensee may not, except as permitted in ss. Ins 25.50, 25.55 and 25.60, directly or

through any affiliate, disclose any nonpublic personal financial information about a consumer that the licensee has collected, regardless of whether the licensee collected it before or after receiving the direction to opt out from the consumer.

- (3) **PARTIAL OPT OUT.** A licensee may allow a consumer to select certain nonpublic personal financial information or certain nonaffiliated third parties with respect to which the consumer wishes to opt out.

**Ins 25.35 Limits on re-disclosure and reuse of nonpublic personal financial information.** (1) (a) *Information the licensee receives under an exception.* If a licensee receives nonpublic personal financial information from a nonaffiliated financial institution under an exception in s. Ins 25.55 or 25.60, the licensee may use or disclose that information only under the following conditions:

1. The licensee may disclose the information to the affiliates of the financial institution from which the licensee received the information.
  2. The licensee may disclose the information to its affiliates, but the licensee's affiliates may, in turn, disclose and use the information only to the extent that the licensee may disclose and use the information.
  3. The licensee may disclose and use the information pursuant to an exception in s. Ins 25.55 or 25.60, in the ordinary course of business to carry out the activity covered by the exception under which the licensee received the information.
- (b) *Example.* If a licensee receives information from a nonaffiliated financial institution for claims settlement purposes, the licensee may disclose the information for fraud prevention, or in response to a properly authorized subpoena. The licensee may not disclose that information to a third party for marketing purposes or use that information for its own marketing purposes.

(2) (a) *Information a licensee receives outside of an exception.* If a licensee receives nonpublic personal financial information from a nonaffiliated financial institution other than under an exception in s. Ins 25.55 or 25.60, the licensee may not disclose the information except to any of the following:

1. To the affiliates of the financial institution from which the licensee received the information.
2. To its affiliates, but its affiliates may, in turn, disclose the information only to the extent that the licensee may disclose the information.
3. To any other person, if the disclosure would be lawful if made directly to that person by the financial institution from which the licensee received the information.

(b) *Example.* If a licensee obtains a customer list from a nonaffiliated financial institution outside of the exceptions in s. Ins 25.55 or 25.60 it may do any of the following:

1. The licensee may use that list for its own purposes-
2. The licensee may disclose that list to another nonaffiliated third party only if the financial institution from which the licensee purchased the list could have lawfully disclosed the list to that third party. That is, the licensee may disclose the list in accordance with the privacy policy of the financial institution from which the licensee received the list, as limited by the opt out direction of each consumer whose nonpublic personal financial information the licensee intends to disclose, and the licensee may disclose the list in accordance with an exception in s. Ins 25.55 or 25.60, such as to the licensee's attorneys or accountants.

- (3) **INFORMATION A LICENSEE DISCLOSES UNDER AN EXCEPTION.** If a licensee discloses nonpublic personal financial information to a nonaffiliated third party under an exception in s. Ins 25.55 or 25.60, the third party may not disclose or use that information except under any of the following circumstances:
- (a) The third party may disclose the information to the licensee's affiliates.
  - (b) The third party may disclose the information to its affiliates, but its affiliates may, in turn, disclose and use the information only to the extent that the third party may disclose and use the information.
  - (c) The third party may disclose and use the information pursuant to an exception in s. Ins 25.55 or 25.60 in the ordinary course of business to carry out the activity covered by the exception under which it received the information.
- (4) **INFORMATION A LICENSEE DISCLOSES OUTSIDE OF AN EXCEPTION.** If a licensee discloses nonpublic personal financial information to a nonaffiliated third party other than under an exception in s. Ins 25.55 or 25.60, the third party may not disclose the information except under any of the following circumstances:
- (a) To the licensee's affiliates.
  - (b) To the third party's affiliates, but the third party's affiliates, in turn, may disclose the information only to the extent the third party can disclose the information.
  - (c) To any other person, if the disclosure would be lawful if the licensee made it directly to that person.

**Ins 25.40 Limits on sharing account number information for marketing**

**purposes.** (1) GENERAL PROHIBITION ON DISCLOSURE OF ACCOUNT NUMBERS.
